*Boost Your Productivity and Achieve Your Goals: Teach Yourself* Matt Avery, 2013-01-25 We all have things we want to achieve goals we want to reach targets we want to hit But how often do we find ourselves saying If only there were more hours in the day or simply I don t have time Time Management however is dead Productivity getting more done in the time we have is king However productive you already are you will find this book full of practical tips on how to achieve more in less time In the past few years alone the author Matt Avery has been running three businesses concurrently as well as writing five books and producing two musicals for the Edinburgh fringe He is Mr Productivity and in this book he shares his secrets

**Management Challenges for Africa in the Twenty-First Century** Felix M. Edoho, 2000-12-30 Edoho and his contributors examine the management challenges facing African governments and businesses on the eve of a new millennium As the authors make clear Africa s future is defined by how Africa does in the 21st century For Africa a major challenge is how to effectively and efficiently manage its vast wealth Africa is not poor because it is poor it is poor because it cannot manage its development process The shortages of managerial knowledge skills and talents are pervasive Consequently the region lacks the ability to organize production and run operations effectively and efficiently The task of developing managerial manpower in Africa is not only imperative it is urgent After outlining theoretical and applied perspectives on management the volume examines the public and private sector planning and management It then explores the globalization of management technology provides case studies of African management dilemmas looks at management ethics and morality and concludes with an analysis of the role of management in African national development As the authors make clear abundant resources will not of themselves usher in an African economic renaissance Africa needs skills to identify and analyze its resources to undertake investment and to establish and run all kinds of organizations Until Africa develops its indigenous managerial talents development will continue to be elusive and the process traumatizing An important resource for scholars students and policy makers involved with African economic development
