**SUBJECT:** IMPLEMENTATION OF THE CCSLC IN THE PUBLIC EDUCATION SYSTEM

---

The Ministry of Education (MoE) is pleased to announce the implementation of the **Caribbean Certificate of Secondary Level Competence (CCSLC)** programme in **ALL** 'primary-tops' and secondary schools across Guyana in a phased approach. The full list of schools which will initially participate in this programme is attached. This programme is offered by the Caribbean Examination Council (CXC) and is currently implemented in countries such as Antigua and Barbuda, Anguilla, Barbados, Dominica, Grenada, Jamaica, St Kitts and Nevis, St Lucia, St Maarten, St Vincent and the Grenadines, Trinidad and Tobago, and Turks & Caicos.

CCSLC is a foundation programme for the Caribbean Secondary Education Certificate (CSEC) designed to better foster continuous learning as students transition from the National Grade Six Assessment (NGSA) to CSEC. The programme is modular, i.e., subjects are broken down into smaller units. CCSLC uses competency-based assessment (CBA), which replaces traditional grading with meaningful feedback and continuous assessment, allowing students to progress at their own pace while mastering each competency. It emphasises clear learning goals and ongoing feedback to help students advance from developing competence to achieving mastery. This initiative aims to enhance students' educational outcomes by equipping them with essential skills and competencies for academic progression, personal development, and the workforce.

CCSLC will commence in Grade 7 and typically end in Grade 8. Students who **do not** complete the programme in Grade 8 can do so in Grade 9. Students can complete the programme in 1, 2 or 3 years. On completion of the programme, students will receive certification from CXC. **The listed schools will begin the CCSLC programme immediately in ALL Grade 7 classes ONLY.**
