### FAMILY & FRIENDS OF ADDICTS

Our program, which is not a religious one but a spiritual way of life, is based on the Twelve Steps of Nar-Anon.

### TAKE YOUR RECOVERY TO THE NEXT LEVEL

Remember, addiction is a life-long disease and our own recovery provides us with the tools for serenity in our lives.

The Nar-Anon 36 is used throughout the Workshop, but not required to participate.

## Nar Anon 4th Step Guide:

**Painkillers, Heroin, and the Road to Sanity** Joani Gammill, 2014-06-10 Recovery from prescription painkiller or heroin addiction can feel impossible with low numbers of people sustaining recovery. But there is hope. With guidance from those in long term recovery along with new approaches to treatment a healthy drug free life is possible. Recovery from prescription painkiller or heroin addiction can feel impossible especially considering that those who have gone through typical twenty eight day treatment programs often experience relapses and sometimes even fatal overdoses. But there is hope. In *Painkillers Heroin and the Road to Sanity* recovering addict and prominent interventionist Joani Gammill offers a radically effective approach for those struggling with opiate addiction sharing sometimes controversial tips that have worked for others who are in long term recovery. Gammill examines the science behind the low numbers of people sustaining recovery from the disease of opiate addiction. Tapping the pioneering work of treatment professionals whose new approaches are changing the way we think about opiate addiction she offers practical steps for creating a realistic and effective recovery plan. Gammill affirms that recovery from opiate addiction is a process not an event. This honest and trustworthy guide reveals that although it may not happen in one detox or treatment experience a healthy drug free life is possible.

*Mastering the Winds of Change* Erik Olesen, 1994 This step by step program helps readers thrive on change work through adversity and turn setbacks into opportunities. Based on interviews with some of the most successful businessmen and celebrities the book combines their testimony with the author's extensive research.

*Integrating the 12 Steps into Addiction Therapy* James R. Finley, 2004-10-20 All the resources needed to fully integrate a 12 step approach as part of your overall treatment program. Millions of Americans have at some time in their lives participated in a 12 step program for treatment of a chemical or non chemical addiction. Clinicians recognize that these grass roots efforts have a very high cure rate. However little has been written on how to integrate these programs into a traditional therapy setting. *Integrating the 12 Steps into Addiction Therapy* serves as an indispensable resource for clinicians treating addiction patients who are simultaneously enrolled in 12 step programs. This valuable text contains eight lesson plans and twenty seven assignments. Integrates in depth discussion of 12 step programs with hands on resources like homework assignments treatment plan examples and patient handouts. Will also benefit 12 step program peer counselors. Includes companion CD ROM with fully customizable homework assignments lesson plans and presentations. Treating addictions whether chemical or non chemical can be one of the most difficult challenges faced by mental health professionals. For many people 12 step programs have played a critical role in helping them to manage their addictive behaviors. *Integrating the 12 Steps into Addiction Therapy* gives psychologists therapists counselors social workers and clinicians the tools and resources they need to fully utilize these peer therapy program techniques in treating a wide variety of addictions.
