Media Ethics Clifford G. Christians, Mark Fackler, Kim B. Rotzoll, 1995 Ethical Issues in the Communication Process J. Vernon Jensen, 2013-11-05 A rapid and widespread growth of interest in applied ethics is occurring today not only in the United States but around the world as well Academia both reflects this and is a leader in the movement The field of speech communication shares in this increased sensitivity to ethical concerns Students and the general public are looking for thoughtful analyses and guidance in all areas of communication Ethical concerns relative to mass communication have been the subject of a number of books but only a very few cover the entire scope of communication to include interpersonal intercultural organizational small groups and public speaking This book tries to fill that need by discussing ethical concerns

as they emerge in the areas of the communication process the communicator the message the media the audience and the situation The speech communication field now has a need to digest and synthesize the existing research findings and the general literature in the field and in related humanities and social science works into a coherent and nontechnical discussion This volume explores the most up to date materials to provide just such a synthesis An extensive bibliography at the end of the book gives readers the sources on which the book is based and offers ample avenues for further personal exploration The book should provide meaningful food for thought as readers grapple conscientiously with the many everyday decisions made in communication transactions and in evaluating the communication of others

Ethics in Media Communications Louis A. Day,1997 You ll find yourself engaged firsthand in controversial issues in the Second Edition of Ethics in Media Communications As you take on the role of ethical decision maker you ll analyze rich and original case studies arrive at your own conclusions and master the process of moral reasoning Author Louis A Day prepares you for the journey by providing a clear decision making model a framework to help you structure your thinking Along the way familiar examples the O J Simpson trial the Waco standoff and the Oklahoma City bombing illustrate the complex nature of ethics in our society You ll contemplate ethical concerns from journalism advertising PR and entertainment by focusing on the underlying values common to them all truth privacy confidentiality and social justice You ll grapple with issues of race gender age and sexual orientation And you ll consider perhaps the broadest question of all Are there universal standards to which media practitioners should aspire
