previous Study Guide's page numbers. Look for a newer edition using the current Study Guide Questions and answers in four separate tests plus detailed explanations for each right and wrong answer referencing the latest official state Study Guide help coach students for the difficult exam. This independent resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test and the law behind it. More generally, it serves as a master class in answering multiple choice questions and tackling tricky exams. Louisiana civil law notaries have unmatched functions, responsibilities and opportunities, but the exam averages a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right and even less about why other good options aren't best. This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options. Explanations are keyed in detail to the 2023 Fundamentals state study guide. Dr. Childress, author of a best-selling supplemental book decoding the state study guide and teacher of Tulane's undergraduate course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled out in *lagniappe* to other available workbooks or as a new tool for self-study, this workbook should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self Study Sherpa Series from Quid Pro Books. *Louisiana Notary Exam Outline to the 2023 Study Guide* Michele Childress, 2023-02-03. PREVIOUS EDITION FOR 2023 for use with the 2023 study guide. Look for a new edition keyed to the current study guide. Updates and expands the previous edition and is keyed to the state guide. The Louisiana Notary Public exam is based on a 722-page study guide, *Fundamentals of Louisiana Notarial Law and Practice*. But the official book is famously difficult and organized in a complex way. Readers often need help, including classes and Facebook groups, just to unwind it. This book is at last directly aimed at simplifying and outlining the study guide itself. Such a resource offers a better chance of passing the notoriously challenging notary exam. Law school classes and bar exam prep have long given law students the advantage of complete outlines, nutshells and bar review materials authored by experts in their subjects. It's time for this concept to be used for notary prep as well. Applying the tried and true outlining format successfully employed for bar review, experienced lawyer notary Michele Childress offers this resource for aspiring Louisiana notaries, whether they're prepping by self-study or as part of organized coursework. A new addition, now in its second edition to the Self Study Sherpa Series from Quid Pro Books, this book joins the *Sidepiece* and *Sample Questions* texts as affordable guidance in the journey to becoming a commissioned notary in our state. *Louisiana Notarial Handbook & Study Guide* Sydney I. Horn, 2001.
