Cash App Tips:

PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan, 2021-12-25 I am not suggesting that you fire your boss or quit your job. In fact, I advise you to keep your job. In this book, I have a job that's called having more than one stream of income, and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest, him shamelessly promoting financial firms that he has an ownership stake in, and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it, I'm not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18-year-old me. Anyone who leaves a review saying that this book lacks realistic, actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do: I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance, right? I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke, living paycheck to paycheck, not owning any assets, being clueless about taxes, and not being able to get ahead in the United States, then this is the book for you. I started off as a poor black boy in a small town in Alabama. On section 8, I currently have a 6-figure net worth. If I can do it, you can too. Buy this book today.

From Beauty to Business Kiyah Wright, 2022-05-24 You know you have the talent to make it in the beauty industry, but figuring out where to begin can feel like a mystery, and cosmetology schools often don't prepare students for the business end of these jobs, which can make or break your career. Entrepreneur and celebrity hairstylist Kiyah Wright knows exactly what it takes to amass wealth in the hair and beauty industry. Now 25 years later, she's at the top of her game with A-List Hollywood clientele, two Emmy Awards, two Hollywood Beauty Awards, a thriving business, and a million-dollar brand. In *From Beauty to Business*, Wright breaks down her seven proven success principles that helped her achieve her goals: Developing a success mindset, Understanding the business of the beauty business, Finding your niche, Diversifying with multiple streams of income, Growing your platform to grow your profits, Preparing for the unexpected, Planning for your future. She also lays out crucial success strategies not taught in hair or beauty schools: about entrepreneurship, finance, branding, marketing, product distribution, how to harness the power of social media, and how to build wealth. Whether you're working from your house or a salon, *From Beauty to Business* will set you up for success with practical tools for thriving in the beauty business on your own terms. Henson, and Gabrielle Union. Whether you're looking for tips in your career as a hairstylist, makeup artist, esthetician, or
