Fasting Lane Dr. Jason Fung, Eve Mayer, Megan Ramos, 2020-04-07 Instant New York Times Bestseller A highly readable state of the art book describing all one needs to know to follow a safe and effective fasting program for optimizing personal health. Be warned: It is a revolutionary book. It might just save your life. Tim Noakes, emeritus professor and author of *Lore of Running and Real Food on Trial*. Take the guesswork and fear out of fasting with real life and expert advice. In recent years, intermittent fasting, restricting calorie intake for a set number of hours or days, has become an increasingly popular diet strategy. While some in the medical community initially dismissed the idea as a dangerous fad, recent research not only validates the safety of fasting for weight loss but also offers compelling evidence of wide-ranging health benefits from reversal of diabetes and other metabolic disorders to enhanced cognitive function and increased longevity. But for many who are eager to try out fasting, the regimen can feel a bit intimidating. After all, abstaining from food doesn't sound like much fun. People rightly wonder: How often can I eat? Will I be able to focus at work? Will I have enough energy to exercise? And perhaps the most concerning question of all: Won't I be hungry all the time? Enter Dr. Jason Fung, world-renowned fasting expert, his colleague Megan Ramos, and Eve Mayer, who has experienced the life-changing benefits of fasting through Dr. Fung's program. Together, they've teamed up to write a one-of-a-kind guide that answers the most common questions people have about fasting and offers a customizable program that provides real results. *In Life in the Fasting Lane*, Dr. Fung, Ramos, and Mayer take the reader by the hand and walk them through the basics of a fasting lifestyle, from the science behind fasting as a health and weight loss strategy to the real-life choices and dilemmas people commonly encounter. While Dr. Fung and Ramos explain the fundamentals of fasting and offer a customizable approach, Mayer shares her "in the trenches" perspective and hard-won knowledge as a success story who turned her life around with fasting. With chapters that address everything from meal planning to mental strategies, exercise to socializing, *In Life in the Fasting Lane* is a unique and accessible guide to developing a sustainable and beneficial fasting routine that offers dramatic lifelong results.
