**Jacques Rivette and French New Wave Cinema** James R Russo,2023-03-18 This first comprehensive English collection of the interviews of Jacques Rivette 19282016 documents his career through chronology filmography bibliography and image stills A comprehensive introduction places this work in the wider context of twentieth century social change Rivettes films like many of the works of the French New Wave seem to have avoided the aging process entirely remaining as playful fresh and quietly spectacular as the day they were made Indeed his body of work may be the most impressive of the French New Wave Celine and Julie Go Boating 1974 has been recognized as possibly the best film to emerge from the post New Wave era even as Paris Belongs to Us 1961 is one of the best pictures to emerge from the New Wave itself Rivette was hardly the most prolific director however and the length of his films has often counted against him Nonetheless his clinical self reflexive essays in film form reveal him as a cinematic purist whose commitment to the celluloid muse hardly diminished from the heady days of the early 1950s to the end of his career in 2009 Beyond inspiring the New Wave movement and continuing to reflect and reflect on its central tenets Rivettes enduring contribution to the history of film is unquestionably evident in his sensitive treatment of the histories and destinies of women especially through strong roles for actresses During the six decades of his career nonetheless he struck a subtle balance not only between female and male characters but also between political and personal obsession between myth and fiction between theater and cinema in films that in addition to having influenced such contemporary filmmakers as Claire Denis Jim Jarmusch Olivier Assayas and David Lynch continue to redefine the art of cinema around the world      **The United States Patents Quarterly** ,2012-10 Report of cases relating to patents trade marks copyrights decided by Supreme Court of the United States United States Circuit courts of appeals District courts of the United States United States Court of Customs and Patent Appeals Court of Claims of the United States United States Court of Appeals for the District of Columbia Commissioner of Patents and Patent Office Board of Appeals
