**Student Financial Literacy** Dorothy B. Durband, Sonya L. Britt, 2012-04-04 College students are particularly vulnerable to making poor financial decisions. One method of addressing personal finances and financial stress among students of higher education is through university based financial education programs. Student Financial Literacy Program Development presents effective strategies to assist in the implementation or the enhancement of a program as a tool to improve students' educational experience and financial well being. It presents the key components of financial education programs designed to address the growing concerns associated with high levels of debt and low levels of financial literacy among college students. Student Financial Literacy Campus Based Program Development is packed with financial education and counseling information and guidance. It was very difficult to write this review as I wanted to share ALL the excellent direction this book provides. The editors and contributing authors have developed an excellent resource for not only those interested in developing or enhancing a campus based financial education program but also for anyone involved in financial education, counseling and planning. **Rebecca J Travnichek** Family Financial Education Specialist University of Missouri Extension Journal of Financial Counseling and Planning

## **Fundamentals of Corporate Finance** Robert Parrino, Thomas W.

Bates, Stuart L. Gillan, David S. Kidwell, 2021-12-14 Fundamentals of Corporate Finance 5th Edition develops the key concepts of corporate finance with an intuitive approach while emphasizing computational skills. This course helps students develop an intuitive understanding of key financial concepts and provides them with problem solving and decision making skills. Using an intuitive approach students develop a richer understanding of corporate finance concepts while also enabling them to develop the critical judgments necessary to apply financial tools in real world decision making situations. Corporate Finance 5e offers a level of rigor that is appropriate for both business and finance majors and yet presents the content in a manner that students find accessible.
