existing archives and slowly began to support the production of new Australian content with an increasingly global focus. However, the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated. *Pivoting and Producing for Online TV: Australia's Transition* advances the macro analysis of television production strategies. This book will be useful to students and researchers interested in media, film, and cultural studies. **Comparison of Information in TV Advertisements in the United States of America and South Korea** Jae Yung Cho, 1988 **Television's Streaming Wars** Arienne Ferchaud, Jennifer M. Proffitt, 2023-11-03. This volume addresses contemporary debates and trends regarding the production and distribution, content, and audience engagement with the television streaming industry. The book interrogates the economics and structure of the industry, questions the types and diversity of content perpetuated on streaming services, and addresses how audiences engage with content from US and global perspectives and within various research paradigms. Chapters address the television streaming wars, including the debates and trends in terms of its production and competition, diversity and growth of programming, and audience consumption, focusing on multiple platforms, content, and users. This timely and creative volume will interest students and scholars working in television studies, media industry studies, popular culture studies, audience studies, media psychology, critical cultural studies, and media economics.

Interpreting and Analyzing Financial Statements Karen P. Schoenebeck, Mark P. Holtzman, 2012. The text and activities format allow the instructor to use this book as a stand-alone text for the first accounting course. This text helps students analyze real company financial statement information. Each activity in the book concentrates on only one aspect of the analysis and uses data from well-known corporations to pique students' interest and add relevancy. **Walt Disney World, Universal Orlando** Corey Sandler, 1999-12. Including information on Sea World and central Florida, this newly updated *Econoguide* shows how to get the most for your money and time with inside information, tips, ratings, and suggestions.

The American Animated Cartoon Danny Peary, Gerald Peary, 1980. *MSDN Magazine*, 2008. **Applied Mass Communication Theory** Jack Rosenberry, Lauren A. Vicker, 2021-09-30. Now in its third edition, this dynamic textbook blends coverage of the major theories and research methods in mass communication to enable students to apply their knowledge in today's media and communication careers. Maintaining a focus on modern professional application throughout, this text provides chronological coverage of the development and use of major theories, an overview of both quantitative and qualitative research methods, and a step-by-step guide to conducting a research project informed by this knowledge. It helps students bridge their academic coursework with professional contexts, including public relations, advertising, and digital media contexts. It provides breakout boxes with definitions of key terms and theories, extended applied examples, and graphical models of key theories to offer a visualization of how the various concepts in the theory fit together. *Applied Mass Communication Theory's* hybrid and flexible nature make it a useful textbook for both introductory and capstone courses on mass communication and media theory and research methods, as well as courses focused on media industries and
