calling into action While honoring a calling's essential mystery the book also guides readers to ask and answer the fundamental questions that arise from any calling How do we recognize it How do we distinguish the true calls from the siren song How do we handle our resistance to a call What happens when we say no What happens when we say yes Whether your interest in callings is personal or professional and whether the calls you hear are great trumpetings or the more common daily summonses to pay attention to your intuition you will find this beautiful book an inspiration It is a compassionate guide to discovering your own callings and negotiating the tight passages to personal power and authenticity
