**Elin Haugsgjerd Allern**

## **Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics:**

Parties Without Partisans Martin P. Wattenberg, 2000-11-30 If democracy without political parties is unthinkable what would happen if the role of political parties if the democratic process is weakened The ongoing debate about the vitality of political parties is also a debate about the vitality of representative democracy Leading scholars in the field of party research assess the evidence for partisan decline or adaptation for the OECD nations in this book It documents the broadscale erosion of the public's partisan identities in virtually all advanced industrial democracies Partisan dealignment is diminishing involvement in electoral politics and for those who participate it leads to more volatility in their voting choices an openness to new political appeals and less predictability in their party preferences Political parties have adapted to partisan dealignment by strengthening their internal organizational structures and partially isolating themselves from the ebbs and flows of electoral politics Centralized professionalized parties with short time horizons have replaced the ideologically driven mass parties of the past This study also examines the role of parties within government and finds that parties have retained their traditional roles in structuring legislative action and the function of government further evidence that party organizations are insulating themselves from the changes transforming democratic publics Parties Without Partisans is the most comprehensive cross national study of parties in advanced industrial democracies in all of their forms in electoral politics as organizations and in government Its findings chart both how representative democracy has been transformed in the later half of the 20th Century as well as what the new style of democratic politics is likely to look like in the 21st Century

**Parties Without Partisans** Russell J. Dalton, Martin P. Wattenberg, 2002 **The Oxford Handbook of Comparative Politics** Carles Boix, Susan Carol Stokes, 2007 The Oxford Handbooks of Political Science is a ten volume set of reference books offering authoritative and engaging critical overviews of the state of political science Each volume focuses on a particular part of the discipline with volumes on Public Policy Political Theory Political Economy Contextual Political Analysis Comparative Politics International Relations Law and Politics Political Behavior Political Institutions and Political Methodology The project as a whole is under the General Editorship of Robert E Goodin with each volume being edited by a distinguished international group of specialists in their respective fields The books set out not just to report on the discipline but to shape it The series will be an indispensable point of reference for anyone working in political science and adjacent disciplines The Oxford Handbook of Comparative Politics offers a critical survey of the field of empirical political science through the collection of a set of chapters written by 47 top scholars in the discipline of comparative politics Part I includes chapters surveying the key research methodologies employed in comparative politics the comparative method the use of history the practice and status of case study research the contributions of field research and assessing the possibility of constructing a science of comparative politics Parts II to IV examine the foundations of political order the origins of states and the extent to which they relate to war and to economic development the sources of compliance or political obligation

among citizens democratic transitions the role of civic culture authoritarianism revolutions civil wars and contentious politics Parts V and VI explore the mobilization representation and coordination of political demands Part V considers why parties emerge the forms they take and the ways in which voters choose parties It then includes chapters on collective action social movements and political participation Part VI opens up with essays on the mechanisms through which political demands are aggregated and coordinated This sets the agenda to the systematic exploration of the workings and effects of particular institutions electoral systems federalism legislative executive relationships the judiciary and bureaucracy Finally Part VII is organized around the burgeoning literature on macropolitical economy of the last two decades

*Political Parties and Interest Groups in Norway* Elin Haugsgjerd Allern, 2024-10-31 How do today's political parties relate to other organisations Do they prefer rather distant relationships with a wide range of interest groups or have they virtually detached themselves from civil society altogether Scholars seem to agree that traditionally close relationships such as those between social democratic parties and trade unions have grown weaker since the 1960s But to date only limited systematic research has been conducted While parties and interest groups attract a great deal of attention from political scientists the links between them have been largely overlooked This book is an attempt to bridge the gap starting from the party side of the relationship It throws new light on the topic by presenting a theory driven comprehensive study of Norway's seven major political parties and their relationships with interest groups at the beginning of the new millennium Based on original and extensive data including party documents in depth interviews with key players and a survey of national party elites Elin Haugsgjerd Allern paints a nuanced picture of the nature and significance of these relationships and the factors that shape them A major conclusion is that Norway's parties tend to maintain rather distant but wide ranging relationships with interest groups today However some parties still have fairly strong links with their traditional associates and a narrower network of links with other groups Hence Allern also shows that significant differences exist between parties that are apparently exposed to the same social political and institutional environment

**Party Organization and Electoral Volatility in Central and Eastern Europe** Sergiu Gherghina, 2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics

**The**

**Changing German Voter** Rüdiger Schmitt-Beck, Sigrid Roßteutscher, Harald Schoen, Bernhard Weßels, Christof Wolf, 2022 The Changing German Voter examines the massive changes that German voters behavior underwent during the second decade of the 21st century

**21st Century Political Science: A Reference Handbook** John T Ishiyama, Marijke Breuning, 2011 Offering full coverage of major subthemes and subfields within political science this reference handbook includes entries on topics from theory and methodology to international relations and institutions

**Party Change, Recent Democracies, and Portugal** Marco Lisi, 2015-10-01 This book offers a critical overview on the literature on party change and provides original data on several dimensions of party organizations focusing in particular on Portuguese political parties The Portuguese case study will be used to illustrate how political parties evolve and the main differences in the trajectory experienced by parties in old democracies Therefore starting from the main theoretical contributions used to study party change this book examines some key dimensions of the role played by political parties ideological and programmatic orientations the social basis of support party organization electoral campaigns and the elections of party leaders Through a wide and rich data collection and the comparative perspective adopted this book furthers our understanding of how Portuguese political parties have changed and the impact of this change on the quality of democracy

**Parties Without Partisans** Russell J. Dalton, 1998

**Comparative Politics** Gregory S. Mahler, 2003 An exceptionally clear jargon free writing style and an emphasis on political institutions and behavior rather than on abstract conceptual frameworks make this volume consistently more accessible to readers than most others on comparative politics It features both across national approach permitting readers to develop a truly comparative understanding of the types of institutions e g constitutions executives legislatures political parties etc as well as a country by country approach that examines those institutions within the context of eight different countries enabling readers to see how all the pieces fit together The volume analyzes comparative political analysis constitutions and ideologies political development and political economics legislatures and legislative structures the executive judiciary and the legal order interest groups political parties and the individual and the political environments of The British French German Japanese Canadian Mexican Nigerian and Russian political systems For those interested in a comprehensive look at comparative politics

**Elections and Parties in New European Democracies** Richard Rose, Neil Munro, 2003-05-30 A systematic comparison of electoral systems parties and voting in 11 new European democracies including comparisons with established democracies such as Britain It includes basic socio demographic data and information about the degree of freedom and fairness in each political system

**The SAGE Handbook of Electoral Behaviour** Kai Arzheimer, Jocelyn Evans, Michael S. Lewis-Beck, 2017-02-27 The study of voting behaviour remains a vibrant sub discipline of political science The Handbook of Electoral Behaviour is an authoritative and wide ranging survey of this dynamic field drawing together a team of the world s leading scholars to provide a state of the art review that sets the agenda for future study Taking an interdisciplinary approach and focusing on a range of countries the

handbook is composed of eight parts The first five cover the principal theoretical paradigms establishing the state of the art in their conceptualisation and application and followed by chapters on their specific challenges and innovative applications in contemporary voting studies The remaining three parts explore elements of the voting process to understand their different effects on vote outcomes The SAGE Handbook of Electoral Behaviour is an essential benchmark publication for advanced students researchers and practitioners in the fields of politics sociology psychology and research methods

**Comparative Politics 06/07** Christian S  ,2006-04 This collection of readings brings together current articles that will help you understand the politics of foreign countries from a comparative perspective This book tries to present information and analysis that are useful in the quest to understand today s political world and the parameters it sets for tomorrow s developments To the reader

**No-party Democracy?** Giovanni M. Carbone,2008 Are political parties an essential element of democracy Or can a no party system constitute a viable democratic alternative Giovanni Carbone examines the politics of Museveni s Uganda to illustrate the achievements contradictions and limitations of participatory politics in the absence of partisan organizations At a time when multiparty reforms were sweeping the globe Uganda opted for a controversial no party democratic model The country s politics over the past two decades thus provide the perfect opportunity for addressing the many questions theoretical empirical and comparative that the notion of a no party system of elected government raises Carbone s analysis of how a no party electoral regime actually works or doesn t in Uganda fills a gap in both democracy studies and the study of African politics Publisher description

Politics in a Changing World Marcus E. Ethridge,Howard Handelman,2004 POLITICS IN A CHANGING WORLD introduces students to the diverse discipline of political science by providing a foundation for understanding political life in a systematic and comparative way The text includes a combination of in depth chapters on important concepts in political science and a series of brief country studies POLITICS IN A CHANGING WORLD helps students to acquire not only a better understanding of the actors and institutions that play a part in diverse political systems but to gain a sense of how and why they act in relation to one another and what their actions mean for the political culture

Political Representation in the Global Economy Timothy Todd Hellwig,2004

The Elections in Israel 2006 Asher Arian,Michal Shamir,2017-09-08 Several dramatic events preceded the elections to the Seventeenth Knesset on March 28 2006 beginning with the unilateral withdrawal from Gaza in August 2005 and its attendant and unprecedented removal of Jewish settlements and settlers followed by major shifts among and within the various political parties Most dramatic was the split in Likud when Prime Minister Ariel Sharon decided to form a new party Kadima leading to the breakup of the Likud party that Sharon had formed in 1973 This volume charts the 2006 elections

**Controversies In Voting Behavior, 4th Edition** Richard G Niemi,Herbert F Weisberg,2001-03-21 The sixteen readings in this volume all of which are newly selected for this fourth edition and most of which are reproduced in their entirety are organized around six debates Why is voter turnout low and why is it declining Does the public s lack of political information matter What

determines the vote and to what extent do campaigns matter Is divided government intentional on the part of voters How much does politics affect party identification Is the party system changing Niemi and Weisberg supply section introductions that weave the readings together establish useful context and help to sort out conflicting interpretations and diverging opinions that emerge across the chapters Collectively the readings and supporting essays in *Controversies in Voting Behavior* provide an illuminating look at some of the most lively and fascinating issues being debated in this field today Publisher

**Politicians and Politics in Latin America** Manuel Alcántara Sáez, 2008 The premise of this book is simply that politicians matter that an understanding of the role played by politicians in the way that politics is carried out in their countries is far from constituting a resurrection of outdated elitist theories of vital importance in present day Latin America pioneering field research on the opinions of Latin American legislators in 17 countries they focus on two broad topics political systems as reflected in politicians perspectives on the democracies and party organizations of which they are a part and the role played by ideology not only in shaping positions on issues but also as a factor that gives coherence to parties Their seminal work is central to the current political dynamics in the region as well as to broader debates in political science

Political Parties and Political Systems Andrea Rommele, David M. Farrell, Piero Ignazi, 2005-04-30 Since its release in 1980 Kay Lawson's *Political Parties and Linkage: A Comparative Perspective* has become a classic text in the field of political science In her groundbreaking work Lawson approaches linkage from an angle left unexplored by her predecessors Her thinking filled in the systematic and theoretical void by envisioning political parties as the link between citizens and policy makers This collection of essays by leading political scientists reflects on Lawson's concept of linkage its theory and its application over the last quarter century The work is divided into two sections the first covers linkage's impact on party research and the second focuses on its application in general political science The first looks at such topics as the evolution and intellectual development of Lawson's concept through social actors policy responsiveness and multi layer politics The second handles issues like globalization the relation of state and society the European Union and its proposed constitutional reform and the cross cultural significance of linkage in such countries as India The book concludes with an illuminating chapter by Lawson that responds to the featured themes and explains her current views on linkage and democracy

### **Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics**

#### **Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics has opened up a world of possibilities. Downloading Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics is one of the best book in our library for free trial. We provide copy of Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics. Where to download Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics online for free? Are you looking for Parties Without Partisans Political Change In Advanced Industrial Democracies Comparative Politics PDF? This is definitely going to save you time and cash in something you should think about.
