Beyond the Random Walk: Vijay Singal, 2006 In an efficient market all stocks should be valued at a price that is consistent with available information. But as a financial expert, Singal points out, there are circumstances under which certain stocks sell at a price higher or lower than the right price. Here he discusses ten such anomalous prices and shows how investors might or might not be able to exploit these situations for profit.

Selling with Amazon FBA: Bri, 2015-05-01 Today all you hear or see are ads and emails where everyone is making big money online. There are so many ways to do this, everyone wants you to pay for their software and it promises to make you millions. Shopping today has changed from what it used to be. You would get in your car and drive to the store. People today want instant access. They work, have children, they do not have the time to get into the car and go shopping. If they do go shopping, it's to the bigger stores where they can get everything they need in one trip. With the internet, people can work from home or shop from home. This book will show you how you too can take advantage of FBA Amazon to start generating income online and work from home. Let's get started.

The Golden Amazon Returns: John Russell Fearn, 1948 **Mining Amazon Web Services:** John Paul Mueller, 2006-07-14 Profit with Amazon Web Services as a Buyer, Seller, or Independent Developer. In a few short years, Amazon has evolved from an online bookstore into a complex marketplace comprised of thousands of vendors, millions of customers, and an ever-widening selection of products. With the launch of Amazon Web Services, buyers and sellers have unprecedented access to the immense body of data underpinning this marketplace. Mining Amazon Web Services: Building Applications with the Amazon API shows you what you can do with these powerful tools and exactly how to do it. As a buyer, you'll build applications that let you comparison shop far more effectively, consistently saving money and finding exactly the right product. As a seller, you'll leverage Amazon Web Services in ways that help you attract more customers, make more commissioned referrals, and improve your bottom line. This book is also a great resource for independent developers who want to create and publish even more money with applications.
