Critical Race Theory and Its Critics Francesca A. López,Christine E. Sleeter,2023 What and who is behind the attacks on Critical Race Theory Why are attacks happening now and what can be done about them In Critical Race Theory

and its Critics Francesca Lopez and Christine Sleeter provide readers with an overview of today's controversy contextualizing the immediate precursors to the attacks on critical race theory and other equity focused approaches in schools as well as the organized reaction by conservative think tanks to undermine equity efforts. Contrary to claims by critics of critical race theory, research supports addressing racism in the classroom as part of a broader effort to ensure that all children thrive. Today's attacks while new in form are not new in substance and purpose as an historical account of parallel efforts aimed at undermining equity shows. Given the recursive nature of attacks and the extent to which they have eroded policies aimed at eradicating systemic inequities, Critical Race Theory and its Critics concludes with evidence based recommendations on messaging, organizing and sharing of research.
