Why Women Aren't Winning at Health (but can) Anca Griffiths, Alyson McGregor, Marjorie Jenkins, 2024-01-22 For women health is the ultimate glass ceiling And for too many of us the tools we have make it impossible to win at health The fact is almost nothing in our global health marketplace is designed to serve and heal women From external factors like the global male centric medical model the predatory wellness industry and the commoditization of traditional health practices to internal challenges like stacked societal and familial expectations and our need to power through at all costs women are beset with health related obstacles from all sides However when asked most women will say I'm fine Somewhere along the way we decided that being a woman is a problem to be fixed not a gift to be embraced Our health systems at best minimize and at worst outright ignore key physiological transitions like menstruation postpartum perimenopause and menopause meaning that women are not supported through the most impactful health experiences of their lives yet we're convinced that somehow we are the problem In this groundbreaking book Anca Griffiths Marjorie Jenkins MD and Alyson McGregor MD tackle the complex issue of the women's global health marketplace With bold insights and piercing clarity they expose the hidden issues within our current systems break down the four key reasons why women aren't winning at health and show you what you can do to take back control of your health journey With additional contributions from recognized global experts they lay a strong groundwork to empower women everywhere to thrive beyond the current status quo because when women are well everyone wins
