By the late 1980s, Lambert was earning a six-figure salary as an investment banker on Wall Street but dreamed of starting his own company. With zero experience, an equally committed partner, and a little borrowed money, he opened All Jokes Aside and, before long, was helping to launch some of the biggest names in comedy. This is the story of Lambert's journey: a behind-the-scenes look at the world of show business and an inspiring tale for any would-be entrepreneur.
