Million Dollar Estate Mike Underwood, The Flow of Money is a course designed to help the average American create their own financial plan to build a million dollar estate by teaching them financial literacy to help them develop wealth Million Dollar Estate The Flow of Money is a textbook designed to teach you the essential principles of financial literacy in an easy to understand way Learn the math and mindset behind wealth creation as we work through a range of topics including maximizing personal income debt management risk management budgeting financial concepts and fundamental financial terms We will also cover how to obtain the financial products and services used by successful people to become wealthy like them This textbook is a universal guide to provide you with the knowledge and tools you need to take control of your financial future *Store Cards Market Investigation* Great Britain: Competition Commission, 2006-04-21 In light of the concerns that have been raised about the lack of transparency of credit card charges in the UK particularly in relation to interest rates charged for store card credit this matter was referred by the Office of Fair Trading to the Competition Commission in March 2004 The Commission s inquiry focuses on two key aspects store card credit services to retailers and related insurance services and consumer credit through store cards and related insurance services These cards offer a method of payment and credit option which are retailer specific and are mostly operated by department stores and clothing retailers The investigation is based on data relating to the period from 1999 to 2003 supplemented by relevant information for 2004 and projections for 2005 and 2006 and focuses on the functioning of the market as a whole rather than on the conduct of individual companies Issues examined include relevant economic markets and the wider regulatory framework proposals to reform the legislation governing the credit market and statutory issues factors that prevent restrict or distort competition detrimental effects on customers and options for remedial action The report finds that the interest

rates charged on store cards are too high generally annual percentage rates APRs of between 10 to 20 per cent above required levels resulting in an estimated cost for consumers of at least 55 million a year and possibly significantly more A number of remedies are identified that store card credit providers should make including warning cardholders on monthly statements that cheaper credit may be available elsewhere providing more and clearer information on all monthly statements offering an option to pay by direct debit and offering payment protection insurance separately from other elements of store card insurance
