**GCE AS Level Applied Business Double Award for Edexcel** Robert Dransfield, 2005 Exactly what you need for the new AS level GCE in Applied Business These brand new books have been written to match the specifications of this new qualification and provide all the information needed whether it is a single award or double award with Edexcel or OCR Four separate books ensure that students receive exactly the right support with no redundant material Lots of activities add interest and give students the opportunity to work outside the classroom in the real business world This helps to emphasise the vocational nature of the qualification Case studies with questions give students real life perspectives on business and the issues surrounding it Marginal notes draw attention to key points and suggest relevant activities *Stop the Retirement Rip-off* David B. Loeper, 2009-03-23 Saving for retirement is a difficult task especially during these challenging economic times Individuals who participate in their retirement plans are being charged billions in fees annually and no one is looking out for their best interests even though the laws say both plan sponsors and employers should be held responsible for acting in their employees best interests The fact is that unless individuals are willing to stand up and secure their financial future they re likely to face less money in their retirement plan accounts and have to work longer to accumulate the funds they need for retirement In *Stop the Retirement Rip off* author David Loeper provides the necessary tools for readers to take action and make the most of their retirement plans It offers a road map for employees to understand the fees and costs associated with their plans as well as improve their standing within their company by proactively helping their employer to take needed action The book features a non confrontational positive approach to bringing your retirement plan problems to the attention of your employer Written in a straightforward and accessible style *Stop the Retirement Rip off* provides readers with sensible strategies for making the most of their retirement funds and will put them back in control of their financial future **Stop the 401(k) Rip-off!** David B. Loeper, 2007 o How would you spend an extra 4 000 a year for the next twenty five years o How much more secure would your retirement be with an extra 100 000 or more o How much more time could you spend at your family dinner table if you could work an hour less each day o What would you do in retirement if you could retire three years earlier Your 401 k plan is probably one of your most important future sources of financial security This book makes it easy for you to take the five steps needed to add more than 100 000 to your retirement nest egg without taking more risk or saving more money This can allow you to improve your lifestyle increase your benefits identify the hidden costs and also improve your standing within your company by proactively helping your employer to take needed action A popular industry speaker and writer DAVID B LOEPER is the founder and CEO of Financeware Inc in Richmond VA He has appeared on CNBC and Bloomberg TV served on the Investment Advisory Committee of the 30 billion Virginia Retirement System and was chairman of the Advisory Council for the Investment Management Consultants Association IMCA He earned the CIMA designation Certified Investment Management Analyst from Wharton Business School in 1990 in conjunction with IMCA
