Financial Aid Science Experiments Tricks

Gail Ann Schlachter,R. David Weber

Financial Aid Science Experiments Tricks:

Financial Aid for Students Laura L. Monagle,2012-10-14 This report includes a list of books and Internet sources that may help locate student financial aid information for prospective current or graduating college and university students. This list includes both general and comprehensive works as well as ones targeted toward specific types of aid and circumstances e.g. non need based scholarships, female and minority students, students studying abroad or veterans, military personnel and their dependents. When possible the summer release dates for 2012 publications are included as a tool for those doing early planning. Many of the websites listed enable a student to conduct and save general and individualized scholarship, grant and loan searches on a variety of issues including intended area of study. Some of these listed resources also contain information on repaying, forgiving, decreasing or discharging incurred educational financial debt through a variety of options such as employment in certain professions or localities. This is a print on demand report. **Resources in Education**, 1997-04
