Healthy Aging Guide 2025:

Global Perspectives on Health Assessments for an Aging Population Ribeiro, Luis Vieira, Ribeiro, Anabela Magalhães, 2023-04-03 Today's society recognizes that the last decades of an individual's life are usually those in which health tends to deteriorate and chronic pathologies increase. Action at this level is verified through the increased concern of government officials with the elderly population motivated by the socio-economic impact of costs associated with the provision of healthcare in this group. **Global Perspectives on Health Assessments for an Aging Population** provides relevant theoretical frameworks and the latest empirical research findings in the area of health assessments for an aging population. Covering topics such as ambulatory wellbeing, gerontology, and neuropsychological assessment, this premier reference source is a valuable resource for gerontological healthcare professionals, gerontological social workers, psychologists, students, and educators of higher education, researchers, and academicians.

Toward Healthy Aging - E-Book Theris A. Touhy, Kathleen F. Jett, 2022-07-10 American Journal of Nursing (AJN) Book of the Year Awards 1st Place in Gerontologic Nursing 2023. Selected for Doody's Core Titles 2024 in Geriatrics. Provide holistic, compassionate nursing care for older adults. Based on evidence-based protocols, **Toward Healthy Aging** 11th Edition helps you master gerontological nursing skills with an approach that focuses on health, wholeness, and the potential in aging. In promoting healthy aging, the text emphasizes caring and respect for the person. Special sections provide an honest look at the universal experience of aging. Written by gerontological nursing experts Theris A. Touhy and Kathleen F. Jett, this classic text helps you learn to apply scientific research, build critical thinking skills, and prepare for success on the NCLEX exam and in clinical practice. **Promoting Healthy Aging: Implications for Gerontological Nursing** sections help you apply concepts to assessments and interventions. **A Student Speaks** and **An Elder Speaks** sections at the beginning of every chapter provide perspectives of older people and nursing students. **Nursing Studies** provide practice examples designed to assist you in assessment, planning, interventions, and outcomes to promote healthy aging. **Learning objectives** in every chapter introduce important content and define learning goals and expectations. **Key concepts** provide a concise review of the most important points found in each chapter. **Critical Thinking Questions** and **Activities** help you apply concepts and build clinical judgment skills. **Safety Alerts** emphasize QSEN competencies and safety issues related to care of older adults. **Tips for Best Practice** boxes summarize evidence-based nursing interventions for practice. **Research Highlights** boxes summarize important research studies in the field of gerontology. **Research Questions** include suggestions and ideas for pursuing nursing research. **Healthy People** boxes reference the goals cited in **Healthy People 2020**. **NEW** Next Generation NCLEX (NGN) examination style case studies at the end of chapters include questions to help you prepare for the NGN exam. **NEW** Completely updated content helps you develop clinical judgment skills identified by the NCSBN and the AACN as a key attribute of professional nursing. **NEW** Updated topics include COPD guidelines, theories of aging, medication use and misuse, palliative care, wound care guidelines, genomic

research and LGBT family relationships and sexuality in older adults **Healthy Aging** Patrick P. Coll,2019-03-29 This book weaves all of these factors together to engage in and promote medical biomedical and psychosocial interventions including lifestyle changes for healthier aging outcomes The text begins with an introduction to age related changes that increase in disease and disability commonly associated with old age Written by experts in healthy aging the text approaches the principles of disease and disability prevention via specific health issues Each chapter highlights the challenge of not just increasing life expectancy but also decreasing disease burden and disability in old age The text then shifts into the whole person implications for clinicians working with older patients including the social and cultural considerations that are necessary for improved outcomes as Baby Boomers age and healthcare systems worldwide adjust Healthy Aging is an important resource for those working with older patients including geriatricians family medicine physicians nurses gerontologists students public health administrators and all other medical professionals *Decade of healthy ageing* World Health Organization,2021-01-14 The Decade of Healthy Ageing 2021 2030 will focus on four key actions changing how we think feel and act towards age and ageing developing communities in ways that foster the abilities of older people delivering integrated care and primary health services that are responsive to the needs of older people and providing older people who need it with access to long term care All are critical for building back better and for fostering healthy ageing The Baseline Report for the Decade of Healthy Ageing 2021 2030 addresses five issues so that policy makers and others in government the private sector civil society and research are committed to implementing actions to achieve the ambitious goals set out in the Decade 1 Introduces Healthy Ageing the Decade s actions and enablers and a pathway to accelerate impact by 2030 2 Where are we in 2020 The report provides a first time baseline for healthy ageing worldwide 3 What improvements could we expect by 2030 It documents progress and scenarios for improvement 4 How can we accelerate impact on the lives of older people It shows how older people and stakeholders can together optimize functional ability 5 The next steps including opportunities to boost collaboration and impact by 2023 the next reporting period **Life Cycle Nutrition for Public Health**
