bombs direction so she could deduce the best avoidance strategy Unfortunately it seemed already too late as the scorching heat above her head indicated the bombs close proximity Before she could act everything went dark and there was deadly silence Later as she pushed debris out of her mouth after realizing she was miraculously still alive Jane had no idea that this astonishing outcome would be just one of many in her future In a riveting retelling of her experiences as a young girl living through the Nigerian Civil War Dr Jane recounts amazing incidences of near death occurrences with escapes that defy explanation While inviting others into her journey through the chaos she encourages us to explore with her whether wartime chaos and the abundance of impossible odds could be breeding grounds for divine interventions miracles and the impetus to evaluate events in our lives differently Loved Beyond Compare is the gripping memoir of a Nigerian girl s experiences as she and her family struggled to survive the vicious civil war that raged around them
