Leisy, 2019-05-07 Transportation Network Companies and Taxis The Case of Seattle is a modern economic case history and thorough analysis of the devastating impact of the transportation network company TNC industry Uber and Lyft on the taxicab industry in Seattle Washington beginning in 2014 The events that transpired and lessons learned are applicable to most large cities in North America Europe and

Australia As the regulator of the taxicab and TNC industries in Seattle during this period the author offers a unique insider perspective The book also provides internal operating statistics on the TNC industry which are available here for the first time Despite the spectacular growth of the TNC industry growth rates have steadily declined and may fall to zero by 2019 or 2020 while the taxicab industry appears to have begun a modest recovery This book offers a thorough explanation of how and why this decline has happened It explains the taxicab industry economic deregulation competitive market failure market disruption price elasticity of demand and other concepts There is also a wealth of data computations and analysis for the specialized reader This book considers the past present and future of the taxicab and TNC industries in Seattle It is recommended for both the general reader and industry professionals

The Four Scott Galloway, 2017-10-05 A fantastic provocative book about where we are now and where we are going Phil Simon Huffington Post Amazon Apple Facebook and Google are the four most influential companies on the planet Just about everyone thinks they know how they got there Just about everyone is wrong For all that's been written about the Four over the last two decades no one has captured their power and staggering success as insightfully as Scott Galloway Instead of buying the myths these companies broadcast Galloway asks fundamental questions How did the Four infiltrate our lives so completely that they're almost impossible to avoid or boycott Why does the stock market forgive them for sins that would destroy other firms And as they race to become the world's first trillion dollar company can anyone challenge them In the same irreverent style that has made him one of the world's most celebrated business professors Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves at a speed and scope others can't match And he reveals how you can apply the lessons of their ascent to your own business or career Whether you want to compete with them do business with them or simply live in the world they dominate you need to understand the Four

Nothing But Net: 10 Timeless Stock-Picking Lessons from One of Wall Street's Top Tech Analysts Mark Mahaney, 2021-11-09 Find the winners avoid the losers and build a solid Tech portfolio for the long run with proven methods from legendary analyst Mark Mahaney The Tech industry is the stock market's hottest most profitable sector but it can be a roller coaster ride Companies with great ideas can end up going nowhere and some that dominate today will be sold at fire sale prices in five years Sure things can become sore things very rapidly Nothing But Net provides the knowledge and insights you need to understand what's really hot to know what's not and to outperform other investors consistently and decisively Famous for his smart savvy and unique approach to Tech stock investing Mark Mahaney provides his 10 proven rules for succeeding as a long term Tech stock investor explaining everything he's learned during almost 25 years of analyzing internet stocks including Why revenue growth and customer metrics not earnings are what matter most to Tech investors How to invest not trade in the great growth opportunities that lie ahead How to determine when high valuations are a warning sign and when they signal an opportunity I've watched the rise of some of the leading

companies of today Facebook Amazon Netflix Google and the fall of some of the leading companies of yesterday Yahoo eBay and AOL Mahaney writes Figuring out which companies really are going to be dominant franchises is an extremely hard thing to do But those who accomplished this were arguably able to generate some of the best portfolio returns in the stock market over the past generation Nothing But Net provides powerful advice for the next two decades lessons you can start applying today and use for years to come
