**Me Before You** Jojo Moyes, 2012 Lou Clark knows lots of things She knows how many footsteps there are between the bus stop and home She knows she likes working in The Buttered Bun tea shop and she knows she might not love her boyfriend Patrick What Lou doesn't know is she's about to lose her job or that knowing what's coming is what keeps her sane Will Traynor knows his motorcycle accident took away his desire to live He knows everything feels very small and rather joyless now and he knows exactly how he's going to put a stop to that What Will doesn't know is that Lou is about to burst into his world in a riot of colour And neither of them knows they're going to change the other for all time Praise for Jojo Moyes What a wonderful thoughtful and moving book I was riveted all the way through Absolutely loved it Sophie Kinsella Destined to be the novel that friends press upon each other More than any other Lou and Will are a couple who readers will take to their hearts as they did One Day's Emma and Dex A novel that demands an afternoon on the sofa with a fistful of tissues Independent on Sunday A triumph Packs such an emotional punch you'll need a box of tissues Elle Magical and heartbreakin
