Meals can last 4-5 days sometimes a little longer but you need to be careful when you keep food in the refrigerator. Chicken and pork should be eaten up as quickly as possible and prawns are just as important too. You should not consume any chicken, pork or prawn meals that have been in your refrigerator for any more than 5 days. Freezing Meals: When it comes to freezing meals you have a real potential to save yourself a lot of time while also having a delicious meal to hand whenever you want one.
