Few short story writers have done a better job than Stacy Aumonier of getting to the heart of what it means to be human Aumonier s collection takes readers on a journey through a wide range of people feelings and situations that make them think It does this by combining keen observation with masterful storytelling Each story in this book is carefully put together and gives a glimpse into the lives of regular people who find themselves in strange situations From the heartbreaking tragedy of unrequited love to the unsettling results of unchecked ambition Aumonier spins complex webs of human drama that stay with the reader for a long time With brevity and subtlety he explores the complexity of human life leaving readers with lingering questions and a better understanding of the human condition These stories show how powerful the short story form is over time and how good Aumonier is at catching the essence of life in all its ups and downs **The golden**
