*Manual* Michael E. Kalinski, 2011-08-24 Soil Mechanics Lab Manual prepares readers to enter the field with a collection of the most common soil mechanics tests. The procedures for all of these tests are written in accordance with applicable American Society for Testing and Materials ASTM standards. Video demonstrations for each experiment available on the website prepare readers before going into the lab so they know what to expect and will be able to complete the tests with more confidence and efficiency. Laboratory exercises and data sheets for each test are included in the Soil Mechanics Lab Manual. The Interdisciplinary Future of Engineering Education discusses the current state of engineering education and addresses the daily challenges of those working in this sector. The topics of how to do a better job of teaching a specific audience how to facilitate learning and how to prepare students for their future careers are extensively covered and innovative solutions are proposed throughout. This unique book brings together a breadth of expertise attested by the broad backgrounds of the experts and educational practitioners contributing to this volume to lay the foundations for the future direction with the improvement of education of engineers in mind. This collaborative effort by a group of uniquely placed educational practitioners provides guidance on the status of current engineering education and lays the foundations for its future direction. The reasons why we teach what we teach, how we teach when we teach, where we teach and who teaches are all re-examined in a new light and ideas and solutions are proposed and evidentially supported. The book sets out ideas for the need to develop a systemic and interdisciplinary approach to the education of future engineers on a model of student based learning. This book will be of great interest to academics and educational researchers in the fields of engineering education and higher education. It will also appeal to higher education policymakers, educators and university teachers. Proceedings of the ... Biennial University/Government/Industry Microelectronics Symposium,
