*Translated with Explanatory Notes by*  
**JAMES MORWOOD**

*With Introduction by*  
**EDITH HALL**

# Medea Hippolytus Electra Helen

**Boston Athenaeum**

## **Medea Hippolytus Electra Helen:**

**Medea** Euripides, 1997 In this new translation of the most profound tragedies of Euripides one of the trio of the supreme Greek tragedians of the fifth century BC James Morwood brings harshly to life the pressure of the intolerable circumstances under which Euripides places his characters His dark and cheerless world one where the gods prove malevolent importent or simply absent reveals men to use his own words as they are His clear eyed yet sympathetic analysis of characters such as Medea Hippolytus and Phaedra and Electra and Clytemnestra and the supremacy of women is not accidental is conducted with extraordinary psychological insight through the fearful symmetry of his plot construction Medea Hippolytus and Electra give dramatic articulacy to their creator s howl of protest against the world in which we still live today His Helen shows him working in a different vein The themes remain deeply serious the analysis is still proving and acute Yet the happy ending however equivocal typifies a humour and warmth of spirit that offer like Shakespeare s last plays a fragile but genuine hope of redemption There is a substantial general introduction and select bibliography by Edith Hall and full explanatory notes accompany the translation

*Euripides Our Contemporary* J. Michael Walton, 2014-03-10 In this masterful reevaluation of Euripides Michael Walton recasts the playwright in light of his resonance for today s translators and directors Springing from the rehearsal room rather than the page Walton shows us not only why we are ready for Euripides but why we so desperately need him Mary Louise Hart Associate Curator of Antiquities J Paul Getty Museum A useful reader friendly introduction aimed at non specialists it offers detailed summaries of Euripides plays along with keen observations on their relevance for today s theater Rush Rehm author of Radical Theatre Euripides Our Contemporary is a major new study of the work of the great classical tragedian that illuminates his work and demonstrates both its vitality and how it continues to speak to us today Taking a thematic approach to Euripides plays it provides the reader with a wide ranging and thorough appreciation of the writer s entire canon For students teachers and practitioners this is the best single volume treatment of the writer s work considering the plays for their accessibility and for their focus on issues and concerns which are as significant as ever in the modern world Divided into three sections the book first examines Domesticating Tragedy the manner in which Euripides gave the world of myth an application to ordinary life The second section tackles the Grand Passions characters under extraordinary pressure and the extent to which personal responsibility can be absolved through various aspects of circumstance The third looks at the nature of Euripides theatre and his acknowledgment of it the great roles and the playwrights of the last hundred years whose craft seems most influenced by his work An Appendix at the end of the book provides a short summary of the plots of all nineteen plays

**Poussin's Women** Troy Thomas, 2025-10-01 Poussin s Women Sex and Gender in the Artist s Works examines the paintings and drawings of the well known seventeenth century French painter Nicolas Poussin 1594-1665 from a gender studies perspective focusing on a critical analysis of his representations of women The book s thematic chapters investigate Poussin s women in their roles as predators as lustful or the objects of lust

as lovers killers victims heroines or models of virtue Poussin's paintings reflect issues of gender within his social situation as he consciously or unconsciously articulated its conflicts and assumptions. A gender studies approach brings to light new critical insights that illuminate how the artist represented women both positively and negatively within the framework in his seventeenth century culture. This book covers the artist's works from Classical mythology, Roman history, Tasso and the Bible. It serves as a good overview of Poussin as an artist discussing the latest research and including new interpretations of his major works.

**Found in Translation** J. Michael Walton, 2006-07-06 In considering the practice and theory of translating Classical Greek plays into English from a theatrical perspective *Found in Translation* first published in 2006 also addresses the wider issues of transferring any piece of theatre from a source into a target language. The history of translating classical tragedy and comedy here fully investigated demonstrates how through the ages translators have wittingly or unwittingly appropriated Greek plays and made them reflect socio political concerns of their own era. Chapters are devoted to topics including verse and prose, mask and non verbal language, stage directions and subtext and translating the comic. Among the plays discussed as case studies are Aeschylus' Agamemnon, Sophocles' Oedipus Tyrannus and Euripides' Medea and Alcestis. The book concludes with a consideration of the boundaries between translation and adaptation followed by an appendix of every translation of Greek tragedy and comedy into English from the 1550s to the present day.

**American Classical Review**, 1973    [Bulletin](#), 1895    **The British National Bibliography** Arthur James Wells, 2000    *Helen of Troy* Bettany Hughes, 2013-11-07 As soon as men began to write they made Helen of Troy their subject for nearly three thousand years. She has been both the embodiment of absolute female beauty and a reminder of the terrible power that beauty can wield. Because of her double marriage to the Greek King Menelaus and the Trojan Prince Paris, Helen was held responsible for both the Trojan War and enduring enmity between East and West. For millennia she has been viewed as an exquisite agent of extermination. But who was she? Helen exists in many guises: a matriarch from the Age of Heroes who ruled over one of the most fertile areas of the Mycenaean world; Helen of Sparta, the focus of a cult which conflated Helen the heroine with a pre-Greek fertility goddess; the home wrecker of the Iliad; the bitch whore of Greek tragedy; the pin-up of Romantic artists. Focusing on the real Helen, a flesh-and-blood aristocrat from the Greek Bronze Age, acclaimed historian Bettany Hughes reconstructs the context of life for this elusive pre-historic princess and places her alongside the heroes and heroines of myth and history. Through the eyes of a young Mycenaean woman, Hughes examines the physical, historical and cultural traces that Helen has left on locations in Greece, North Africa and Asia Minor. Vivid and compelling, this remarkable book brilliantly unpacks the facts and myths surrounding one of the most enigmatic and notorious figures of all time.
