## **Reinventing the Latino**

**Television Viewer** Christopher Chávez, 2015-10-30 Reinventing the Latino Television Viewer Language Ideology and Practice examines how the relationship between language power and industry practice is reshaping the very concept of Hispanic television Ch vez argues that as established mainstream networks enter the Hispanic television space they are redefining the Latino audience in ways that more closely resemble the mainstream population leading to auspicious forms of erasure that challenge the legitimacy of Spanish altogether This book presents the integration of English into the Hispanic television space not as an entirely new phenomenon but rather as an extension of two ongoing practices within the television industry the exploitation of consumer markets and the suppression of Latino forms of speech
