*Resistance in the Era of Nationalisms* Hsin-I Cheng, Hsin-i Sydney Yueh, 2023-04-01 The desire of the people of Taiwan and Hong Kong to exercise democratic self rule fully embody their local identities and become global citizens challenges the big power politics between China and the United States Occupying a critical stance on the margins the local perspectives and international relations of these two cosmopolitan and postcolonial societies challenge both narratives centered on China and those focused on the U S China power struggle Taking a culture centered approach to the communicative process of glocalized resistance in an era of rising nationalisms the chapters in this volume address topics ranging from the rhetoric of political leaders and the language games of mass protesters on social media to resistant street performance These chapters showcase the geocultural identity in the making of the Taiwanese and Hong Kong people and offer insights into societies under imminent threat by an aggressive neighbor

**IRL** Chris Stedman, 2020-10-20 What Does IRL In Real Life Really

Mean in Today s Digital Age It s easy and reflexive to view our online presence as fake to see the internet as a space we enter when we aren t living our real offline lives Yet so much of who we are and what we do now happens online making it hard to know which parts of our lives are real IRL Chris Stedman s personal and searing exploration of authenticity in the digital age shines a light on how age old notions of realness who we are and where we fit in the world can be freshly understood in our increasingly online lives Stedman offers a different way of seeing the supposed split between our online and offline selves the internet and social media are new tools for understanding and expressing ourselves and the not always graceful ways we use these tools can reveal new insights into far older human behaviors and desires IRL invites readers to consider how we use the internet to fulfill the essential human need to feel real a need many of us once met in institutions but now seek to do on our own online as well as the ways we edit or curate ourselves for digital audiences The digital search for meaning and belonging presents challenges Stedman suggests but also myriad opportunities to become more fully human In the end he makes a bold case for embracing realness in all of its uncertainty online and off even when it feels risky
