Natural Healing With Cell Salts:

Natural Healing with Cell Salts Skye Weintraub, 1999-08-30 Well nourished cells provide us with the building blocks of health. So says Dr. Weintraub in *Natural Healing With Cell Salts*, the most comprehensive guide to cell salt therapy. This reference book provides an in-depth look at the delicate nature of our body's cells and how cell salts work to help maintain a proper balance. For trained health care practitioner and the inexperienced lay person alike, *Natural Healing With Cell Salts* gives invaluable information regarding the relationship between healthy cells and cell salts, how to select cell salts and the specific salts and their uses for various ailments.

12 Essential Minerals David R. Card, 2011-12-13 A short, simple and readily accessible summary of the internal and external therapeutic uses of the 12 essential tissue salts commonly called cell salts. The use of cell salts to treat a wide variety of health related conditions has been extremely popular in Europe especially in Germany for many years. Today there is widespread and growing interest in this branch of homeopathic treatment in the U.S. as evidenced by the inclusion of these twelve cell salts in special displays in health food stores across the country. Much of what has been previously written on cell salts is in archaic medical language. Dave Card's new book is different. He explains cell salts in a comprehensive fashion yet simply and in modern language, giving clear instruction in how to use cell salts and supplies extensive lists of various disease or imbalance conditions that can be helped by cell salt supplementation. A section on the external uses of cell salts, something rarely presented in the English language, is also included. Contains a correspondence between the twelve signs of the zodiac and the use of each of the twelve different cell salts. The book is clearly indexed. Dave Card's books have been a great tool in my own practice. Cesar Diaz M.D. Family Practice Natural Medicine. Cell salt supplementation has dramatically increased the general overall health and vitality of my clients.
