Navigating The Of Revelation Special Studies On Important Issues:

Rethinking Eschatology Jason L. Quintern, 2025-01-23 In *Rethinking Eschatology* Jason L. Quintern presents a compelling defense of postmillennialism a theological view that Christ's reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ's return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God's plan for history and the future [The Antichrist and the Second Coming](#)

Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken *The Antichrist and the Second Coming* looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67-70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years **Why Believe It?** John Huffman, 2018-07-26 John has written a book of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God's infallible Word This book endeavors to bring the author's insight and spiritual gifts to its pages to share God's message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ **Navigating the Book of Revelation** Kenneth L.
