Understanding Foodservice

Redistribution Dave Dewalt,2007 Contemporary Poetry II is a hodgepodge of poems embracing such topics as love hate friendship enmity war peace poverty affluence and the various phenomena of nature as they allude to Earth s natural beauty in conjunction with its flora and fauna The underlying element of poetry is emotive evocative and to a certain extent

provocative Hence it is difficult to have a single definition that truly characterizes or delineates the boundaries of poetry It is the resulting impact upon its reader that creates its caliber How was the reader affected Were there shudders tears smiles goose bumps It is this reaction to the material that defines poetry Let each of us therefore conceive his her own definition for in each of us dwells a potential poet
