Chapman Navigation Rules United States. Coast Guard,U. S. Coast Guard Staff,2004 This is the clearest most fully illustrated version of the navigation rules that every captain must have on board in fact boats 12 meters or 39 feet and longer are required to carry a copy For years the United States Coast Guard has produced a guide to operating vessels safely and lawfully in both international and inland waters But its language is legalistic complex and not always very comprehensible Chapman s easy to read edition has exactly the same information but with additional illuminating commentary by Editor at Large Dan Fales an explanation of many of the rules in simple lucid detail and advice on real world application With eight more illustrations than the Coast Guard s book the manual looks better than ever too No matter whether you navigate a small sailboat motorboat or spacious yacht you won t want to head onto the water without it
