Sports Finance and Management Jason A. Winfree, Mark S. Rosentraub, Brian M. Mills, 2011-08-29 This definitive text on sports management and finance focuses on how the modern sports team has evolved. Addressing the fact that the 21st Century sports team has turned to a real estate development media and entertainment corporation this book focuses on the how and why of the change rather than traditional finance topics such as borrowing money ticket pricing and player compensation. It includes an assessment of ownership structures and discusses real estate development facility designs and their fit into urban centers.

Basketball Sports Medicine and Science Lior Laver, Baris Kocaoglu, Brian Cole, Amelia J. H. Arundale, Jeffrey Bytomski, Annunziato Amendola, 2020-10-05 This book is designed as a comprehensive educational resource not only for basketball medical caregivers and scientists but for all basketball personnel. Written by a multidisciplinary team of leading experts in their fields it provides information and guidance on injury prevention injury management and rehabilitation for physicians physical therapists athletic trainers rehabilitation specialists conditioning trainers and coaches. All commonly encountered injuries and a variety of situations and scenarios specific to basketball are covered with the aid of more than 200 color photos and illustrations. Basketball Sports Medicine and Science is published in collaboration with ESSKA and will represent a superb comprehensive educational resource. It is further hoped that the book will serve as a link between the different disciplines and modalities involved in basketball care creating a common language and improving communication within the team staff and environment.
