The Global Film Market Transformation in the Post-Pandemic Era Qiao Li, David Wilson, Yanqiu Guan, 2023-05-04 This book reviews the development and performance of the global film industry during the COVID 19 pandemic and examines new trends in film production distribution and consumption through a global lens The COVID 19 pandemic has had a substantial impact on the global film industry since the beginning of 2020 There has been significant transformation in terms of film production distribution and consumption Hollywood like many national cinemas across the globe has suffered the most significant impact at all levels the interruption of new film productions shutdowns of movie theatres in many countries and delays in the release of new films among them Many movies made for cinemas were forced to move from release in theatres to various streaming platforms and nontraditional production companies continued to grow their market share This book places the global film industry in a post Pandemic context It provides detailed analyses of specific systems of film production distribution and consumption in national cinemas as well as in Hollywood while also

engaging with the key theoretical and methodological questions from the film studies literature This volume is a critical reference for students and scholars of film studies and general readers who are interested in the new trends and transformation of the global film industry in a post pandemic era The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Stocks for All: People's Capitalism in the Twenty-First Century Petri Mäntysaari, 2021-12-31 Public stock markets are too small This book is an effort to rescue public stock markets in the EU and the US There should be more companies with publicly traded shares and more direct share ownership Anchored in a broad historical study of the regulation of stock markets and companies in Europe and the US the book proposes ways to create a new regulatory regime designed to help firms and facilitate people's capitalism Through its comparative and historical study of regulation and legal practices the book helps to understand the evolution of public stock markets from the nineteenth century to the present day The book identifies design principles that reflect prior regulation While continental European company law has produced many enduring design principles the recent regulation of stock markets in the EU and the US has failed to serve the needs of both firms and retail investors The book therefore proposes a new set of design principles to serve contemporary societal needs

Netflix's Speculative Fictions Colin Jon Mark Crawford, 2020-12-10 Netflix's Speculative Fictions: Financializing Platform Television argues that Netflix's scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data, debt, attention, behavior, taste, time, sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi-sited narrative of value found in the company's investor relations materials and corporate communications such as letters to shareholders, financial earnings reports, executive interviews, press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture, tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies, television studies, technology studies and economics will find this book particularly useful

International Documentary ,2005 Management, International Adaptation John R. Schermerhorn, Jr.,Daniel G. Bachrach,2024-01-09 Management 15th edition continues to offer the same balanced theoretical approach as with previous editions Students need an active and engaged learning

classroom environment that brings personal meaning to course content and the instructor's course objectives. The book communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test. This international edition has been revised and updated with a focus on timely content, student engagement through real-world challenges, and personal career issues. Centralizing new topics such as diversity, equity, inclusion, and social impact, this edition introduces a new feature of Issues to attract learners' attention to timely social and organizational issues, as well as new cases and more opportunities for self-assessment. **Netflix Guide:**

the Never Wonder What to Watch Book Bilal Zou, 2018-04-26. There should be a way to stop the frustration of not knowing what to watch. There has to be a good movie to watch, the movie, and show recommendation website trusted by millions of users every year is out with the latest solution: a TV Guide style book for Netflix. On-demand services like Netflix put the burden of choice entirely on you, and it's not easy to cut down from the overwhelming choice of options. This book is a selection of exclusively good movies and shows, titles highly rated by both viewers on IMDb and critics Rotten Tomatoes. Instead of always watching the latest thing that Netflix comes out with, this book gives you over 130 highly rated and often little-known alternatives, including the new stuff that's actually worthy of your attention. This book is meant to be as functional and as practical as possible. Its goal is to spread the word about the existence of a better way to interact with a service like Netflix. Get it or give it to a friend who is constantly complaining about not knowing what to watch; it's meant to be both a timely and timeless solution. It features both movies and shows that will expire and Originals that will never leave Netflix. **E-commerce** Kenneth C. Laudon, Carol Guercio Traver, 2009. For the undergraduate and graduate e-commerce course in any business discipline. This comprehensive market-leading text emphasizes the three major driving forces behind e-commerce to provide a coherent conceptual framework for understanding the field: technology change, business development, and social issues. **PC Magazine**, 2008. *Symposium*, 2007. **Marketing** Gary M. Armstrong, Philip Kotler, 2007. How do we get you moving? By placing you, the customer, in the driver's seat. Marketing introduces the leading marketing thinking on how customer value is the driving force behind every marketing strategy. Fasten your seatbelt.
