Partnership Entity Purchase Buyout Agreement:

Business Buyout Agreements Bethany Laurence, Anthony Mancuso, 2022-06-28 Going into business with others means taking some risks. Sooner or later one or more of the owners will want to exit the business and it may be you. Unless you plan in advance protracted arguments over the buyout price, payment plans and outside buyers can threaten the survival of your business. Without an agreement co-owners may also jeopardize the business by filing for bankruptcy pledging their business share as collateral or losing their share of the business in a divorce. And what happens when you are ready to move on? Can you force the other owners to buy your interest? Who decides the price? **Business Buyout Agreements** walks you through the creation of a buy-sell agreement, a sort of premarital agreement for your business that protects everyone's interests. The book includes a fill-in buy-sell agreement that can be tailored for owners of corporations, LLCs and partnerships. *Practice*
