discontinued in 1958 The reason that the 30 and G11 models had such a short production run was due to the 1959 introduction of the 650cc Model 31 and G12 which basically obsoleted the 600cc series The elimination of the 600cc models was likely a marketing decision in order to both reduce the number of different models available and also to bring the AJS and Matchless model range into the more commonly accepted 500cc and 650cc offerings VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound or ring bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years With more than 250 titles in print VelocePress is one of the fastest growing specialty automobile and motorcycle publishing companies in the USA Please visit our website at [www.VelocePress.com](http://www.VelocePress.com) for more information on our company and our books [Suzuki Jimny JA11C JA11V 660cc English Factory Parts Manual 1991-1996](#) James Danko,2011-04-18 This Parts Diagrams Manual is based on the JA11C JA11V EPI F6A Intercooler Turbocharged Engine 660cc Suzuki Jimny produced for the Japanese JDM market It contains of 450 pages of parts and system diagrams It is the Full Service Manual and contains every part of the listed vehicles Covers both the Hardtop and Soft Top versions Perfect for troubleshooting and repair Replace missing or broken parts with ease Add options that came from the factory A must have manual for the Jimny enthusiast **Penton Jackpiner 175cc Spare Parts Manual - 004 ,**
