## **Party In The Blitz The English Years:**

Party in the Blitz Elias Canetti,2005 Exceedingly perceptive at times amusing and always unpredictable this autobiography by Nobel Prize winner Elias Canetti is a fascinating and lively read Canetti spent forty years in London beginning in 1939 during which he moved in elite circles numbering the great writers artists thinkers and politicians of the time among his friends and acquaintances But he felt it was an era in which England having given its best in World War II lost its glory Canetti started work on his England memoirs in 1985 Four separate drafts were begun of which this book unfinished at the time of his death in 1994 is the product Restrictive covenants in Canetti s will prevented the publication of his manuscripts and papers for a time but PARTY IN THE BLITZ was finally published in German in 2003 In this sensational collection of portraits of those who were meaningful in his life Canetti is an honest and often cruel observer of the personalities of those around him T S Eliot he believed was an embodiment of the grip of decline in which English society found itself He was intrigued by the English society party finding in it evidence of a stiff upper lip attitude verging on social repression Already well documented is Canetti s affair with Iris Murdoch In writing of their rendezvous Canetti is characteristically unrestrainedly acerbic John Bayley would later refer to him as the god monster of Hampstead His style is at times staccato at times elaborately philosophical but always displaying the author s sharp tongued wit and intelligence This is a unique and personal account of an extraordinary man s life in the age of the Hampstead intelligentsia *Playing the Hand We Are Dealt* Michael Jackson,2024-10-01 The relationship between literature and life can be construed as a counterpoint of fate and freewill Rather than equating fate to the hand we are dealt which is reducible to the social or familial environments into which we are born this book explores the idea of fate through the books that shape our lives and under whose influence we write Writing in this sense is seen as beyond its utility of making meaning It is a way of recovering agency in the face of overwhelming experiences In juxtaposing factuality and fiction the author makes a case for a radically empirical approach to human experience *The Other Shore* Michael Jackson,2013 In this book ethnographer and poet Michael Jackson addresses the interplay between modes of writing modes of understanding and modes of being in the world Drawing on literary anthropological and autobiographical sources he explores writing as a technics akin to ritual oral storytelling magic and meditation that enables us to reach beyond the limits of everyday life and forge virtual relationships and imagined communities Although Maurice Blanchot wrote of the impossibility of writing the passion and paradox of literature lies in its attempt to achieve the impossible a leap of faith that calls to mind the mystic s dark night of the soul unrequited love nostalgic or utopian longing and the ethnographer s attempt to know the world from the standpoint of others to put himself or herself in their place Every writer whether of ethnography poetry or fiction imagines that his or her own experiences echo the experiences of others and that despite the need for isolation and silence his or her work consummates a relationship with them **Iris Murdoch and Elias Canetti** Elaine Morley,2017-12-02 Since the revelation of Iris Murdoch

s 1919 1999 affair with Elias Canetti 1905 1994 scholarship on their relationship has been largely biographical focusing in particular on Canetti's alleged role as the real life model for some of Murdoch's most invidious protagonists Little research however has been done on the extensive common ground between the two writers literary projects In this groundbreaking comparative study Elaine Morley conducts a careful philological comparison of Murdoch's and Canetti's works from their literary themes and theories to their idiosyncratic stylistic practices Morley demonstrates that these authors were preoccupied with a common philosophical problem and that they were in fact not only personally close but also more intellectually allied than has been previously thought Elaine Morley is Lecturer in German and Comparative Literature at Queen Mary University of London where she convenes the MA in Anglo German Cultural Relations William Empson, Volume II John Haffenden,2006-11-02 William Empson 1906 1984 was the foremost English literary critic of the twentieth century His public life and travels took him through many of the major events of the modern world This compelling account is the second of two volumes exploring his remarkable life and work **Bookforum**,2006 **The Spectator**,1894 Irish University Review,2006 A journal of Irish studies Translation Review,2006 The Austrian Lyric Judith Beniston,Robert Vilain,2004 Europe Since 1914 John M.
