Anderson,2017-05-22 Past life regression therapy is built upon the idea that we re eternal beings that move from life to another in different place and time As perpetual spirits we come across bodily existence on Earth in a series of persona and physical bodies On a spiritual level we choose every lifetime as a way to learn the lessons we ve to head off for ourselves Exploring our life in the past through a therapy for apparently inexplicable physical or mental issues is known as Past Life Regression Therapy It works together with beliefs of reincarnation and takes us back in earlier life to get a better understanding of our life we live in the present In this book we will tell you everything you need to know about Past Life Regression and how you can even perform it on yourself without the help of a hypnotherapist **My Mystical Past Life**

Venu Murthy M. K.,2013-12-24 This is a highly readable personal journal of how destiny mystically designs circumstances from planting a seed of Near Death Experience Reincarnation and such to nurturing these ideas with the conviction of personal experience and finally integrating it all under the expert guidance of Dr Brian Weiss Below are few words from an eminent author and publisher introducing this book The book starts in a very dramatic way and from the very first sentence draws you immediately to the series of events those are going to unfold As you read along the book the kindness of an American African touches your heart Dr Brian Weiss comes in front of you alive You yourself really start hearing Dr Weiss speak There is a touch of humour also in the narrative to enliven you and lot of wisdom pours in You will surely love this book Well here is the book itself in your hand Go ahead and experience it for yourself I always felt within my heart the mystical side of Venu s personality He is one of the rare individuals who love to read great books and absorb the noble ideas and ideals contained in them He is truthful sincere to the core in his quest for God and has passed through amazing range of experiences in his life which makes him a very good channel of goodness and compassion through past life therapy I have not found many persons with such pure altruistic motives that Mr Venu Murthy carries in his heart The book has been dedicated at the holy feet of the all pervading eternal master of the universe I bow down to that Guru and offer my salutations to that eternal master along with Venu Murthy This narrative is written with noblest of the motives It is highly readable and as you read along you won t feel you are reading a book you will be travelling and experiencing everything that happens along with the author And it will be a harbinger of a change in many people s lives May the blessings of God be showered on all those who read it and on all those who come in contact with Venu Murthy is my earnest prayer to God and Guru Deva Divakar B R Strange that things which are mystical happen even in the lives of Software Engineers While the former is for the highly

developed right brain the latter demands an exploding amount of left brain activity Venu Murthy wonders on how mystical his journey has been from being a techie who bangs his head on computers to being a Past Life Regression Therapist systematically trained by the master on this subject Dr Brian Weiss M D the ever compassionate Masters and his year old cute little daughter Past-Life Regression Ursula Markham,2003 Increase your well being overcome your problems and start on a path to a happier more fulfilling life with the help of past life regression Drawing upon actual case histories a highly respected and experienced hypnotherapist presents an intriguing introduction to this increasingly popular phenomenon Find out how hypnosis and regression therapy work and what to expect during typical sessions Evaluate the theories beliefs and benefits of past life regression and see what other methods can be used to induce it A frequently asked questions section addresses common concerns and presents alternatives and complements to past life regression Used as therapy to treat phobias and other problems past life regression can also be a remarkable tool to enhance spiritual development **Past Lives** Davina Desilver,2013-11 Past Lives Incredible Past Life Experiences Intrigued by the existence of past lives and past life regression Fascinated by reincarnation and how it affects your life today This is an insightful and sensitive account of what it s like to experience past life regression the experience itself and the resulting learning that comes from that experience These reincarnation stories are intimate and personal recollections It s engaging and exhilarating you won t want to stop reading I trained in Past Life Regression Therapy several years ago and have been asked many times to write down some of my own past life stories I have been shocked elated stunned and at times frozen with fear These are my experiences never anyone famous just real experiences of past lives usually with some pertinent reminder or similarity with events in my current life With DeSilver s usual style to the point and easy to read the reader can certainly identify with her personal and truthful account and her natural sense of humour shines throughout Her unique manner of combining the therapeutic viewpoint as well as that of the client is addictive A must read for anyone interested in the existence of past life regression and reincarnation My experiences of the existence of past lives has never been purely for entertainment purposes I have loved being able to touch my spirit and that of others Within all of us lies the potential to access ancient memories times long past I do believe that the body holds onto such memories even if we don t consciously know how There is an intelligence in every single cell of your body The mind is not the brain it includes the brain but it is not limited to it The brain is the physical organ the mind is less tangible It expands further than we think and communicates in ways I believe we have yet to master or fully understand There may be things in this life that just don t make sense to you a recurring thought or dream that seems to bare no relevance to your current life Sometimes specific aches pains and physical imbalances may not be confined to an event in this current lifetime you are experiencing If that is the case for you you will know it in your heart and in your gut as you read these words Using the sensations and feeling ability of the body is one of the ways we access these deeply held memories thoughts and beliefs It s as if they are frozen in time crystallised if you like

especially if they are associated with strong emotions and events of the time *Doors to Past Lives & Future Lives* Joe H. Slate, Carl Llewellyn Weschcke, 2011-12-08 You have the ability to access the collective wisdom of all your past life experiences By tapping into this immense storehouse of knowledge through self hypnosis you will gain direction mastery over your fears a greater sense of self worth and the power to take charge of your life Dr Joe H Slate and Carl Llewellyn Weschcke put a unique do it yourself spin on hypnosis teaching you step by step how to conduct your own past life regression using powerful scientifically tested methods such as astral projection and spirit interactions Fascinating true accounts from Dr Slate and his subjects highlight the effectiveness of these empowering techniques Explore your past and future lives Delve into life between lifetimes See how many past lives you have lived Communicate with departed loved ones Meet your spirit guides Discover new spiritual dimensions Once you begin to retrieve your past life experiences you can apply the lessons learned toward present day healing spiritual growth and enlightenment for the continued evolution of your soul
