Ragies Gunda,Joachim Kügler,2014-04-17 Let Justice Flow Like Water Joshua M. Greever,D. A. Horton,Justin McLendon,2025-06-01 Edited by Joshua M Greever D A Horton and Justin McLendon Let Justice Flow Like Water addresses the strained relationship between social justice the gospel and the mission of the church In response to the misuse of Scripture to promote personal ends the volume reorients the conversation around justice and centers it in the biblical text and its theological implications The authors provide practical wisdom and points of application to pastors ministry leaders and students The authors examine the most frequently cited texts on biblical justice through a coherent biblical and systematic theological method The result is a glimpse into God s heart for justice and his desire for humanity especially the church to share this heart The volume s theology is supplemented by practical guidance to pastors so that they can lead their churches to embrace the gospel and social justice properly understood Let Justice Flow Like Water serves as an irenic reminder to pastors students and educated lay people to return to the biblical text to understand it more accurately and to

reengage and understand one another in a winsome fashion for the sake of the gospel the mission of the church and the glory of God *Newswatch* ,2002 *The Prosperity Gospel in Africa* Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth *The Prophetic Pursuit* Chris Kleinsmith,2022-08-01 Everyone has a prophetic destiny The two most powerful days in your life is firstly the day you were born secondly the day you discover why you were born Once you discover your reason this will set you on the trajectory towards the fulfilling of your purpose How do you fulfil your prophetic purpose What are the principles you need to apply What keys do you need to make it happen Where do you go and with whom do you need to connect to see it come to pass This is what this book is about This book is for the person who discovered his reason This book is for those who are ready to journey to the fulfilment of their prophecy In the event you have not discovered the prophetic you have the right book in your hand As you glean through the pages the Holy Spirit will begin to speak remind and brood on you prophesying your purpose
