**TICKET TO HELL** Pat Witt, 2010-05-06 My gut feeling when I look at what was our home is that it just got sucked up and away from us it was like a tornado does when it lands Dorothy and Toto somewhere else in the Wizard of Oz It all felt like it happened just that fast although the reality may have been different One minute we are all together in a home and the next we were not      Paediatric Patient and Family-Centred Care: Ethical and Legal Issues Randi Zlotnik Shaul, 2014-04-16

This book provides the reader with a theoretical and practical understanding of two health care delivery models the patient child centred care and family centred care Both are fundamental to caring for children in healthcare organizations The authors address their application in a variety of paediatric healthcare contexts as well as an understanding of legal and ethical issues they raise Each model is increasingly pursued as a vehicle for guiding the delivery of health care in the best interests of children Such models of health care delivery shape health care policies programs facility design resource allocation decisions and day to day interactions among patients families physicians and other health care professionals To maximize the health and ethical benefits these models offer there must be shared understanding of what the models entail as well as the ethical and legal synergies and tensions they can create This book is a valuable resource for paediatricians nurses trainees graduate students practitioners of ethics and health policy      Telling an American Horror Story Cameron Williams

Crawford, Leverett Butts, 2021-03-02 Telling an American Horror Story collects essays from new and established critics looking at the many ways the horror anthology series intersects with and comments on contemporary American social political and popular culture Divided into three sections the chapters apply a cultural criticism framework to examine how the first eight seasons of AHS engage with American history our contemporary ideologies and social policies Part I explores the historical context and the uniquely American folklore that AHS evokes from the Southern Gothic themes of Coven to connections between Apocalypse and anxieties of modern American youth Part II contains interpretations of place and setting that mark the various seasons of the anthology Finally Part III examines how the series confronts notions of individual and social identity like the portrayals of destructive leadership in Cult and lesbian representation in Asylum and Hotel
