

Paul on Justification, Faith & Law

There are conflicting and confusing statements in the English Bible on the following topics:

1. Justification – how one's sins are forgiven
2. Law – its value and usefulness

These statements all originate in the writings of Paul.

Paul The Law And Justification:

Paul, the Law, and Justification Colin G. Kruse,1997 Kruse tackles one of the hottest issues in Pauline theology today the meaning of the apostle s teaching on law and justification In this important work Dr Kruse surveys the course of scholarly debate on this subject since 1977 examines Paul s teachings letter by letter and provides commentary on what has come to be known as the new perspective on Paul Indispensable for anyone interested in the ongoing discussion of Paul s view on justification by faith *Law in Paul's Thought* Hans Hübner,2004-10-27 Points to a striking discord within Paul s view of the law and asks whether these differences should not be explained in terms of a development in Paul s theology of justification itself

The Epistle to the Romans Douglas J. Moo,1996-09-30 Paul s letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul s letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul s teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans s emphasis on practical divinity and traces the theme of gospel throughout the epistle

A Pauline Theology of Justification James B. Prothro,2023-02-21 Paul s teaching about justification is always important for understanding the apostle and for Christian theology And for that same reason it is always debated James B Prothro s book looks at the apostle s words about righteousness faith the Mosaic law and life in Christ to connect the dots of Paul s thought and to bring Paul into dialogue with major theological traditions He offers an account of justification that is both forensic and thoroughly participatory God s gift of forgiveness friendship and new life in Christ through the Spirit

The Gospel According to ANE Covenant Understanding Dave Schoch,2014-01-15 Most Christians in the Church today in the West do not know about Ancient Near Eastern ANE covenants nor do they understand that the covenants God has made with mankind are based in form on ANE covenants and their governing principles In fact the Old and New Covenants are ANE covenants Scholars and theologians know that the greater understanding we have of the historical and cultural roots of Christianity we can come to a more accurate interpretation of the New Testament Scriptures This is particularly true since Biblical archaeology has unearthed information regarding ANE covenants which the

Fathers of the Reformation did not have access to when formulating their doctrinal beliefs and creeds Because the New Testament is an ANE covenant the governing principles of ANE covenants affects how we must interpret the Scriptures emanating from that covenant The information brought forth in this volume demands dissemination throughout the grassroots levels of the Church and Christian academia *The Acts of the Apostles* George Whitefield Clark,1896 *The Epistle of Paul the Apostle to the Romans* Handley Carr Glyn Moule,1879 **A Suggestive Commentary on St. Paul's Epistle to the Romans** ... Thomas Robinson (Presbyterian Minister.),1871 Romans 4 and the New Perspective on Paul Gerhard H. Visscher,2009 In addition to examining Romans IV includes discussion of writings supporting and opposing the New Perspective position *The Epistle of Paul to the Romans* Matthew Brown Riddle,1883 **Paul, the Law, Justification and the New Perspective** George Reidar Qualley,2020 Notes on Tischendorf's Text of Paul's Epistle to the Romans James Robinson Boise,1883 The Latter-Day Saints' Millennial Star Parley Parker Pratt,1898 'Works of the Law' at Qumran and in Paul Jacqueline C. R. De Roo,2007 The phrase works of the law occurs only in the Dead Sea Scrolls and in Paul but it has a different connotation in each corpus At Qumran the works of the law are deeds of obedience to God s law and are ultimately inspired by God They function as a means of atonement whether for the individual who performs them or for the sins of others For Paul on the other hand the works of the law are quintessentially the works of Abraham Though they are indeed good deeds Abraham himself was a sinful man and so his deeds could not make atonement for himself or for others In fact Paul is reacting against the idea of Abraham as a redeemer figure that was held by some of his contemporaries The phrase works of the law thus takes on a negative coloration in Paul as a deceptively false means of salvation Against Qumran Paul s position is that justification must be effected apart from works of the law and thus by Jesus Christ Abraham is no second Adam as some were thinking and his good deeds epitomized in his sacrifice of Isaac had no atoning value This closely reasoned study makes an important contribution to the study of New Testament theology it undertakes to settle some long standing debates about Paul s soteriology by proposing an alternative both to traditional interpretation of Paul and to the New Perspective on Paul **S. Paul's Epistle to Galatians; with notes by J. Edmunds** Paul (st.),1874
