Sight Words List Compare Setup:

A Comparison of Assignment and Quiz Evaluations Using Taped Instructor Comments and Written Instructor Comments as They Affect the Achievement and Attitudes of Preservice Teachers Michael Robert McElwee, 1973

Reading Disabil 3rd Florence G. Roswell, 1980-11-24 Assessing and Guiding Classroom Reading Instruction Martha Collins, Earl H. Cheek, 1999-06 This text provides classroom teachers with information on developing a systematic procedure for assessing reading skill performance and offers prescriptive instruction. The first chapter addresses reading as a language process and establishes the basic conceptual framework. The remainder of the text is organized around five steps that should be followed to provide effective reading instruction. New to this edition: The latest research on teacher instruction for technologically advanced students. More emphasis on student assessment versus clinical diagnoses. The importance of assessing and guiding reading through language literacy development is stressed.

Teaching Students with Learning Problems in the Inclusive Classroom Lisa Freund, Rebecca Z. Rich, 2005

For the K-12 special education methods course for future teachers of students with learning problems. Knowing that no one approach to teaching is right for all children all of the time this comprehensive yet accessible case-based text presents current best practices with the aim of helping prospective teachers learn to tailor instruction to the diverse needs and abilities of students with learning problems. The authors explore the entire inclusion movement and the theories of teaching and learning that inform it; discuss the nature of students with learning problems and the characteristics of effective teachers; and describe a broad spectrum of proven instructional strategies for all curriculum areas. Finally they examine the unique challenges and opportunities that transitions create for students with learning problems.
