*MCQs for FRCOphth and ICO Basic Sciences Examinations* Sameer Trikha, Silva Samantha de, Hemal Mehta, Simon Keightley, 2012-01-22 A sound knowledge of basic sciences is vital for any doctor with an interest in ophthalmology and is a significant part of all postgraduate examinations in the subject. Featuring 640 multiple choice questions this is a comprehensive revision guide for candidates taking the basic sciences component of the FRCOphth and ICO examinations. It is highl

**Eye Yield** Saif Aldeen Saleh AlRyalat, 2021-07-20 The book provides high yield information in basic ophthalmology including anatomy physiology pathology pharmacology microbiology and embryology that are required for preparation of ophthalmology exams. The book focusses on all parts of the eye with special focus on basic science including appropriate amount of information on clinical science for students and trainees. It is written in a lucid manner with textual notes and illustrations for quick learning and better understanding. Each section contains high yield information in separate points with commonly asked information in Eye Yield Note boxes. It also includes estimated study time for each section to better plan the study. It also includes a pre exam night study section at the end of the book that provides the information to be reviewed just before the exam. The book will be very helpful in passing almost all basic ophthalmology exams in a relatively short study time by skipping the filling text available in most of the textbooks. It will be an excellent read for post graduate students looking for concise revision material. It will be relevant for medical students ophthalmology residents and medical doctors applying for ophthalmology residency and also for FRCS Part 1 exam.
