**Me and We** Leonard Sweet, 2014 Churches with front doors that open up mission fields rather than buildings **The Jesus Quotient** Jennie A. Harrop, 2019-06-21 As leaders our capacity to hear is often muddled by an inability to acknowledge our own insufficiencies and emotions Jesus knew his God given purpose and emotional character so deeply that he was able to operate out of these foundations boldly and instinctively Jesus's infallible Intelligence Quotient IQ and Emotional Quotient EQ allowed him to focus on a third concept called Audience Quotient AQ an individual's ability to focus consistently completely and effectively on others As a church we are failing a twenty first century culture that is defined by an unprecedented interconnectedness and speed of information We are witnessing a scramble to manipulate and manage information that demands renewed integrity and yet the church is seen as hypocritical judgmental and irrelevant If we are going to earn a voice the future church cannot be about the components of church at all but instead the individual souls within the church pastors included The better we ground ourselves in the truth of who we were created to be IQ EQ and AQ the better able we will be to love God fully and love those around us as we love ourselves That after all is what Jesus commanded us to do **An Ecumenical Field Guide For Fresh Expressions** Michael Adam Beck, 2024-08-20 Learn the essentials of fresh expressions for your church An Ecumenical Field Guide for Fresh Expressions is a practical manual for understanding and implementing Fresh Expressions for a church in any denominational setting The Fresh Expressions movement is a new way of thinking about the local church and a new way of doing church as a congregation It refers to new fresh iterations or types expressions of ministry usually outside the confines of the church building These iterations or types of ministries are formed intentionally but organically out in the community where people are They are based on shared activities or interests where people are gathering already and where the people are open to or interested in learning about Jesus Christian people share their own stories of how Jesus is part of their lives Often these gatherings become regular and increasingly begin to adopt the practices of a church community like worship service study and giving Thus they become fresh expressions of the church from which they sprang Treasures Old and New Michael Adam Beck, Steve Harper, 2025-02-04 The way forward requires both old ways and new ways Step into the world of Wesleyan beliefs and practices with this small insightful and impactful book Join the Wesleys on their journey through early Methodism and unlock hidden treasures that are still relevant today Harper and Beck expertly guide readers towards a new era of Christian experience combining old traditions with modern approaches for a revitalized church community With its compact size this book is perfect for leaders looking to unite their congregations around Methodist identity and future direction Don't miss out on this essential resource for shaping the next chapter in your faith journey This book is a must read for anyone in the Wesleyan faith stream those involved in fresh expressions and other unconventional faith communities and leaders within Wesleyan communities Discover the heart of Methodist tradition envision its relevance today and boldly share these timeless
