s mother just wants her there to watch over him Will was once a powerful successful and handsome hunk of a man yet now he feels like a shell of his former self ready to give up Lou still sees that hunk and she is ready to do everything she can to give him the courage to go on and make the most of life Lou s charm works as she even manages to cheer him up on occasion Everything changes when she overhears his intention to commit suicide in six months The author s choice of ending for Me Before You is controversial and this review offers an alternative outcome that might have kept a few more tissues in the box
