Nbbc Acts Commentary Wesleyan Tradition:

Acts Richard P. Thompson, 2015 Written from the Wesleyan theological perspective it offers insight and perceptive scholarship to help you unlock the deeper truths of Scripture and garner an awareness of the history culture and context attributed to each book of study

The Lukan Lens on Wealth and Possessions Rachel L. Coleman, 2019-12-02 In *The Lukan Lens on Wealth and Possessions A Perspective Shaped by Reversal and Right Response* Rachel Coleman offers a detailed look at Luke's wealth ethic The long debated question of how Luke understands the relationship between followers of Jesus and material possessions is examined with careful exegesis and keen literary and theological sensitivity The twin motifs established in Luke's introductory unit Luke 1:5-4:44 reversal and right response provide the hermeneutical lenses that allow the reader to discern a consistent Lukan perspective on wealth in the life of disciples With an engaging style and an eye to the contemporary church the book will appeal to both scholars and pastors

Acts Philip A. Bence, 1998 Essential to grasping the rest of the New Testament *Acts* demonstrates how Christ continued His ministry on earth through the Holy Spirit and in the building of the church An excellent resource for personal study and especially helpful for those involved in the teaching ministries of the church the Wesley Bible Commentary series will encourage and promote life change in believers by applying God's authoritative truth in relevant practical ways Written in an easy to follow format you will enjoy studying Scripture insights that are faithful to the Wesleyan Armenian perspective

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever's eternal condemnation

The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the

reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor. Wi's conclusion challenges its readers by asking the question along with Luke's audience: What must we do? *Mission in Action* Martin C. Salter, 2019-04-18

Missional ethics is concerned with the way in which the believing community's behaviour is in and of itself a witness to the wisdom and goodness of God. The debate surrounding the relationship between word and deed or evangelism and social action remains a significant issue within evangelical missiology. Martin Salter seeks to address one aspect of that debate: namely the missional significance of ethics by conducting detailed exegesis of key biblical texts. He argues that biblical ethics is neither entirely separate from nor merely preparatory for mission; rather it is an integral part of the church's mission. Missional ethics is a theme that arises from the biblical texts and is not imposed on them. The church as both organism and institution embodies a missional ethic that includes worship, justice and charity. Word and deed belong together as an integral whole. Salter's valuable study concludes by offering a definition of missional ethics.
