Partners in Passion Sahara Kelly,S. L. Carpenter,2008-02 Book 3 in the Partners in Passion series A woman in the throes of passion bound by leather and submitting to the fire of her desires It s a photo that captures something deep inside Tracy Harmon as she stares at it spellbound by the intensity and the heat it conveys Beside her at the art exhibit a handsome stranger also finds himself stunned by the image and fascinated by Tracy George Cluny decides he wants that photo and goes in search of the photographer a buddy of his by the name of Marcus Lured out of town by a phone call coincidence reunites George and Tracy at a quiet country inn Their mutual attraction rises helped along by a private event taking place out of the public eye A BDSM gathering a couple of silk scarves and the stage is set for them to enter a heated world of dominance and submission promising more than the simple sexual experiences they ve known up to now *HOW IT IS THAT SINS ARE FORGIVEN* IMIEL,2019-03-26 The word sin has today become one of the most controversial expressions of our time Each passing day has its share of rising antagonism as well as protagonists in defense Simply because the intellect has successfully over ridden the ability of the spirit to correspond the reality of Truth with all that naturally pertains to man A disastrous outcome that is not encourageable nor admissible as right In this book I seek to bring the understanding of what the right conception of sin is and how it comes about being sustained Especially in regard to notions such as evil and darkness Elucidating on the many mercies of God for the redemption of sins readers will at last come to personal reckoning of the infinite magnitude of the great Love of God which only seeks the benefit and welfare of all His creatures May its expositions at last lead to the true recognition of that which brings salvation the most urgent necessity for the man of today HOME BUILDERS:An all-round book on the momentous subject of marriage! , **The Poetical Works of John and Charles Wesley** John Wesley,1872 **Passionate Enlightenment** Miranda Shaw,2022-06-07 The now classic exploration of the role of women and the feminine in Buddhist Tantra The crowning cultural achievement of medieval India Tantric Buddhism is known in the West primarily for the sexual practices of its adherents who strive to transform erotic passion into spiritual bliss Historians of religion have long held that this attempted enlightenment was for men only and that women in the movement were at best marginal and subordinated and at worst degraded and exploited In *Passionate Enlightenment* Miranda Shaw argues to the contrary and presents extensive evidence of the outspoken and independent female founders of the Tantric movement and their creative role in shaping its distinctive vision of gender relations and sacred sexuality Including a new preface by the author this Princeton Classics edition makes an essential work available for new audiences **The Poetical Works of John and Charles Wesley: Short hymns on select passages of the Holy Scriptures (Romans ; Corinthians ; Galatians ; Ephesians ; Philippians ; Colossians ; Thessalonians ; Timothy ; Titus ; Philemon ; Hebrews ; James ; Peter ; John ; Jude ; Revelation) ; Appendix, containing hymns and poems from various sources ; Chronological list of the poetical works ; Abbreviated table of contents to the whole work ; Index to the first line of every verse**

Trothen, 2006-01-01 Why did it take so long for the United Church of Canada to respond to violence against women Tracy J Trothen looks at the United Church as a uniquely Canadian institution and explores how it has approached gender and sexuality issues She argues that how the Church deals with these issues influences its ability to name violence against women In examining the Church's early approaches to gender and sexuality Tracy J Trothen discovered that the United Church had tended to see certain structures or roles as sacred and others as demonic For example while sex outside marriage was bad or improper sexual expression within marriage was largely deemed as proper or good no matter what manifestation it took This assumption allowed much violence within families and marriages to go unchallenged Trothen uncovers significant shifts in this approach through the examination of such issues as redemptive homes marriage pornography abortion the ordination of women and family Then analyzing three recent case studies she demonstrates the value of women's voices in challenging dominant world views Finally she suggests how the Church's approach to human sexuality and gender has facilitated or obstructed the move to address violence against women The findings in Linking Sexuality and Gender can be applied to faiths outside the United Church and will be important to anyone interested in church and society sexuality gender or the causal dynamics behind one Canadian institution's response to violence against women Tracy J Trothen is an assistant professor of systematic theology and ethics and director of field education at Queen's Theological College Queen's University Canada She was ordained in the United Church of Canada Why did it take so long for the United Church of Canada to respond to violence against women *Passionate and Pious* Monique Moultrie, 2017-12-11 In *Passionate and Pious* Monique Moultrie explores the impact of faith based sexual ministries on black women's sexual agency to trace how these women navigate sexuality religious authority and their spiritual walk with God Providing churchwomen a space to candidly discuss these issues these popular ministries exist largely beyond the traditional church

with dialogues about sex taking place in chat rooms and through text messages social media email and other media Moultrie foregrounds televangelist Juanita Bynum s construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences What does it mean for senior women to exercise sexual agency when their church standing could be questioned What does celibacy mean for women who experience same sex desire while believing that such desire goes against God s will Advancing a womanist sexual ethics Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure thereby calling on black churchwomen to experience responsible and life enhancing sex
