The Passing of the Third Floor Back Jerome Klapka Jerome,1921 **Passing of the Third Floor Back** Jerome K. Jerome,2015-03-04 The neighbourhood of Bloomsbury Square towards four o clock of a November afternoon is not so crowded as to secure to the stranger of appearance anything out of the common immunity from observation Tibb s boy screaming at the top of his voice that she was his honey stopped suddenly stepped backwards on to the toes of a voluble young lady wheeling a perambulator and remained deaf apparently to the somewhat personal remarks of the voluble young lady Not until he had reached the next corner and then more as a soliloquy than as information to the street did Tibb s boy recover sufficient interest in his own affairs to remark that he was her bee The voluble young lady herself following some half a dozen yards behind forgot her wrongs in contemplation of the stranger s back There was this that was peculiar about the stranger s back that instead of being flat it presented a decided curve It ain t a ump and it don t look like kervitcher of the spine observed the voluble young lady to herself Blimy if I don t believe e s taking ome is washing up his back
