Carmona, Mark Liponis, 2018 For most clinicians the science and evidence for many integrative therapies is largely unknown or considered suspect Most physicians don't have time to learn integrative approaches and aren't sure what to recommend or which approaches have merit or improved outcomes In Integrative

Preventive Medicine clinicians have easy access to the best practices in integrative medicine and expectations for outcomes. The current state of the science is also presented. Authors are leaders in their fields with decades of expertise and leadership in their fields.

**Alternative Health Care Resources** Brett Jason Sinclair, 1992. With today's spiraling medical costs more and more people are looking toward alternative health care treatments. This easy to use A-Z guide gives you your own personal lifeline to the most remarkable medical techniques available today: alternative health care treatments that have helped thousands of people all over the world relieve the suffering of arthritis, allergies, osteoporosis, and countless other ailments without expensive doctor bills or the dangerous side effects of prescription drugs. The Directory gives you instant access to over 400 self-help groups, professional organizations, providers, institutions, journals, and foundations that provide information on alternative treatments and health-related issues. Included are some of the best documented and proven effective techniques on better health through alternative approaches: techniques you're unlikely to find in the mass media or physicians' journals. This information can help banish pain and suffering, therapies for diseases that kill, cripple, or debilitate, and preventive techniques that could dramatically reduce the odds of getting these diseases as well as many others. Organized alphabetically by illness or health-related topic, this comprehensive directory covers nearly 100 subjects including AIDS, allergies, arthritis, bee venom therapy, cancer, childbirth, chronic fatigue syndrome, colon therapy, eating disorders, eye problems, headaches, heart disease, medical consumerism, mind-body connection, nutrition, and diet, pain relief, stress reduction, women's health issues, and many more. What's more, each listing includes the address, phone number, contact person, and type of service offered. And every entry in the Directory is up to date, accurate, and complete. Whether you want to know more about Aromatherapy, Iridology, and Naturopathy or the alternative treatments available for hypoglycemia, psoriasis, or substance abuse, **Alternative Health Care Resources: A Directory and Guide** gives you instant access to the help you need.

**Planning Your Career in Alternative Medicine** Dianne J. Boulerice Lyons, 2000. The burgeoning popularity of alternative medicine has created a growing need for professionally trained practitioners. This indispensable guide for prospective students is packed with resources, schools, and other educational opportunities in areas from Chinese medicine and massage therapy to chiropractic and applied kinesiology.

Cancer Prevention and Early Diagnosis in Women Alberto Manetta, 2004. An in-depth look at the prevention and early diagnosis of the cancers that most commonly affect women, this book collects information on breast, cervical, colorectal, lung, ovarian, skin, uterine, corpus vaginal, and vulvar cancer all in one place. It offers comprehensive coverage of cancer screening, examines risk assessment, prevention, and early diagnosis for each cancer type, as well as incidence, mortality, and risk factors. It explores the advantages and limitations of genetic testing for determining cancer susceptibility and presents an evidence-based analysis of a wide range of complementary and alternative approaches for cancer prevention and treatment.
